MEN'S ITF WORLD TENNIS TOUR RULES AND REGULATIONS 2024

I. PURPOSE AND APPLICABILITY

A. General

ITF Limited trading as the International Tennis Federation promulgates these Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international professional tennis Tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These Regulations shall be applicable to all Tournaments sanctioned as part of the Men's ITF World Tennis Tour as well as the overall umbrella of the ITF World Tennis Tour.

These Regulations are subject to change during the 2024 edition of the World Tennis Tour with the introduction of the ITF World Tennis Number as a global rating applicable to ITF tournaments. Upon incorporation into these Regulations, the ITF World Tennis Number may be relied on for the purposes of entry to and seeding at ITF World Tennis Tour tournaments. For the avoidance of doubt, the ITF World Tennis Number shall not replace, supersede or otherwise override ATP ranking and ITF World Tennis Ranking.

For these Regulations, the following definitions shall apply:

- Men's ITF World Tennis Tour comprises all Men's Tournaments offering \$15,000 and \$25,000 in prize money including events providing complimentary hospitality ("H"). These tournaments are referred to as "M15" and "M25".
- ITF World Tennis Tour comprises all ITF World Tennis Tour Junior Tournaments, Men's ITF World Tennis Tour Tournaments as well as Women's ITF World Tennis Tour Tournaments.
- Regulations refer to Men's ITF World Tennis Tour Rules and Regulations including the Code of Conduct, Appendices, ITF World Tennis Tour Organisational Requirements, and the ITF Rules of Tennis, which are approved by the ITF Board of Directors to provide fair and reasonable rules for the orderly and uniform conduct by players and Tournament Organisers. These Regulations can be amended from time to time by the ITF Board of Directors.
- ITF World Tennis Tour Organisational Requirements also known as Organisational Requirements are the Regulations that a Tournament Organiser must follow when running an event on the Men's ITF World Tennis Tour.

Further definitions can be found in II. DEFINITIONS

Each player entrant in a Men's ITF World Tennis Tour Tournament agrees as a condition of such Entry to abide by and be subject to these Regulations.

Any sanctioning National Association and the Tournament Organiser where separate (jointly the “**Applicant**”) awarded a one (1) year sanction on the Men’s ITF World Tennis Tour Calendar shall be subject to and shall be bound by and comply with the Regulations and the ITF Guide to Recommended Health Care Standards, each of which may be amended from time to time.

Approval to sanction a Men’s ITF World Tennis Tour Tournament may be subject to conditions imposed by the ITF in its sole discretion.

The ITF reserves the right to refuse approval of or cancel any previously sanctioned Tournament or series of Tournaments for reasons of health, safety, security or any other potential threat to any persons attending the Tournament(s) or to the successful running of the Tournament(s).

The ITF bears no liability to any Applicant, Tournament Organiser, Host, National Association, Player, Related Person, Covered Person or any other person or entity for any loss incurred as a result of a delayed, rescheduled, postponed or cancelled Tournament. For the avoidance of doubt, neither the ITF nor the Applicant shall be liable to any Player, Related Person, Covered Person or any other persons or entities for any costs that they might have incurred in relation to such delayed, rescheduled, postponed or cancelled Tournaments, including, without limitation, any travel, transport and/or accommodation costs. This decision (to refuse approval of or cancel any Tournament) will be made on behalf of the ITF by the ITF World Tennis Tour Committee, or by the ITF Executive if the Committee so delegates its decision-making power, and may be appealed by the Applicant only, to the Independent Tribunal.

B. Classification of Men’s Tournaments

- Professional Tournaments are the Grand Slam Tournaments, ATP Tour, ATP Challenger and Men’s ITF World Tennis Tour Tournaments.
- ITF Professional Tournaments are the Men’s ITF World Tennis Tour Tournaments and Women’s ITF World Tennis Tour Tournaments.
- ITF Sanctioned Tournaments are any Tournament sanctioned by the ITF that are not ITF Professional Tournaments (including Tournaments on the ITF World Tennis Tour Juniors, ITF Masters Tour, ITF Wheelchair Tour and ITF Beach Tour).
- ITF Team Competitions are Davis Cup, Junior Davis Cup, Hopman Cup and other such team events sanctioned or supported by the ITF, including the Olympics and Continental Games.
- Other Tournaments are those tournaments not covered above, which include exhibition tournaments, national league tournaments, national association/federation tournaments, etc.

Unless otherwise specified, references to “Tournament” on its own in these Regulations shall be to a Men’s ITF World Tennis Tour Tournament.

C. National Association and Tournament Personnel

1. National Association

National Associations are those countries and/or member institutions as defined by the Constitution of the ITF Limited. National Associations are responsible for appointing the Tournament Organiser

and ensuring that the ITF World Tennis Tour Organisational Requirements are fully complied with by the Tournament Organiser.

In order for a Tournament to be approved and sanctioned by the ITF for inclusion on the Men's ITF World Tennis Tour Calendar, the Tournament must have all necessary approvals from the relevant National Association and, if appropriate, the Regional Association. The National Association is responsible for submitting the application form(s) and remains ultimately responsible for the proper organisation and running of the Tournament.

2. Tournament Administrator

The National Association(s) organising the Men's ITF World Tennis Tour Tournament shall designate a Tournament Administrator to handle all aspects of administration of the Tournament. The Tournament Administrator shall be the point of contact for the ITF.

3. Tournament Organiser

The National Association must also designate a Tournament Organiser (sometimes referred to as the tournament director) who will be responsible for all aspects of the organisation of the Tournament, with the exception of all matters relating to the rules of competition as stated in the Men's ITF World Tennis Tour Rules and Regulations, Code of Conduct, the Rules of Tennis and all on-court issues, which are the responsibility of the ITF Supervisor and/or the ITF. The Tournament Organiser is responsible for following the 2024 ITF World Tennis Tour Organisational Requirements.

4. Officials

All Tournaments on the Men's ITF World Tennis Tour must have an approved ITF Supervisor and the appropriate number of officials as set out in the Officiating Requirements provided in the 2024 ITF World Tennis Tour Organisational Requirements.

a) ITF Supervisor

The ITF Supervisor must be available throughout the Tournament Week. The ITF Supervisor must be available at least 2 hours before the Qualifying Sign-In Deadline until the completion of the Tournament, unless otherwise approved by the ITF.

The ITF Supervisor is the individual responsible for all aspects of play during a Tournament. The ITF Supervisor will act as final on-site authority for the interpretation of the applicable Regulations, Code of Conduct, Rules of Tennis and the Duties and Procedures for Officials as to all matters arising that require immediate resolution at the Tournament site.

Each Tournament must provide at its sole expense an official certified as a Gold or Silver Badge ITF Supervisor.

b) ITF Chair Umpire

The ITF World Tennis Tour Organisational Requirements provide details on the minimum requirements for Chair Umpires at M15 and M25 levels.

National Associations that wish to supply a higher certification level of official, or more officials than the minimum requirements, are encouraged to do so.

c) **Approval of Officials**

Each Men's ITF World Tennis Tour Tournament shall submit a list of officials to fulfil the requirements as set forth above to the ITF's Officiating department at least 8 weeks (56 days) prior to the Tournament. Any request for these officiating requirements to be waived should be made to the ITF at least 8 weeks (56 days) prior to the Tournament.

Notwithstanding any other provision of these Regulations, the Code of Conduct for Officials or the Tennis Anti-Corruption Programme, the ITF has the absolute right to deny approval of any official's appointment to officiate at any ITF World Tennis Tour Tournament(s), and to revoke any previously given approval. The ITF may exercise that right as it sees fit, with or without providing reasons (but reasons may include for integrity or performance-related reasons).

5. Tournament Doctor and Sports Physiotherapist

Each Men's ITF World Tennis Tour Tournament must appoint and pay all costs for an English-speaking medical doctor (tournament doctor), to be available on call at all times during playing hours.

The Tournament must also appoint an English-speaking Sports Physiotherapist (as defined in the ITF Guide to Recommended Health Care Standards), to be available on-site during play, to provide treatment to players. It is recommended that all reasonable off-court treatment is provided free of charge to players. The Sports Physiotherapist must be on-site sixty minutes before matches commence until completion of all matches.

Further requirements are set out in the ITF World Tennis Tour Organisational Requirements and the ITF Guide to Recommended Health Care Standards.

D. Related Regulations

The ITF Rules of Tennis shall apply in all Men's ITF World Tennis Tour Tournament matches.

To the extent not covered herein the Constitution of ITF Limited 2024 and the 2024 ITF Duties and Procedures for Officials shall be applicable to all Men's ITF World Tennis Tour Tournaments. Such applicability shall not affect the right of Men's ITF World Tennis Tour Tournaments to promulgate and enforce their own special regulations insofar as they are consistent with the applicable provisions of these Rules and Regulations and have been approved by the ITF.

In the event that a player does not hold a current passport for the nation they wish to represent, the player must provide:

- A written explanation setting out:
 - why they are seeking to add/change or update their nationality;
 - why they do not hold a current passport for the nation they wish to represent;

change of nationality is genuine and not intended to circumvent the application of the Regulations (i.e. a “flag of convenience”). The IAP reserves the right to ask the Player to provide and/or supply further information on request.

The IAP’s first-instance decision is capable of being appealed by the Player to the Independent Tribunal.

This Regulation applies to the Men’s ITF World Tennis Tour only and is without prejudice to any other regulations applicable to other tournaments (such as ITF Team Competitions), which may impose different criteria.

All players (i.e. those with an ATP ranking, ITF World Tennis Ranking, eligible ITF Combined Junior ranking, National Ranking, and unranked), subject only to Age Eligibility and Play Down provisions of these Regulations, may enter Men's ITF World Tennis Tour Tournaments by the Entry Deadline and will appear on the Tournament Acceptance Lists.

Players should locate details about each Tournament, including Fact Sheet, Entry and Acceptance Lists, ITF Supervisor contact information and other relevant information about the Tournament, within their IPIN account.

Unless specified otherwise, this Section V. applies for both Main Draw and Qualifying.

Players are encouraged to read the Fines Guidelines and Offence Codes for ITF World Tennis Tour events, located in the Code of Conduct, for information on the penalties imposed for Late Withdrawals.

A. Entries

All entries must be made through a player's IPIN account (ipin.itftennis.com). In exceptional circumstances, an Entry can be submitted in writing on the Official Entry Form and sent to the ITF by email to be received before the appropriate deadline.

A player applying for Entry shall be deemed to apply for Entry into both the Singles Main Draw and the Singles Qualifying depending on his ranking by the applicable System of Merit.

A player's status in a Tournament shall not be official until the Entry Deadline and publication of the Tournament Acceptance List on the ITF website and IPIN account. A player may apply for Entry into up to six (6) Men's ITF World Tennis Tour Tournaments in a specific Tournament Week, in which case he must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not apply for Entry into a Men's ITF World Tennis Tour Tournament if he is Committed to another Tournament during that period.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept or revoke any player's Entry to any ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

B. Withdrawal Procedures

All Withdrawals must be submitted online through the player's IPIN account.

Notwithstanding Regulation V.C. below and the Code of Conduct, which may impose penalties, a Withdrawal must be submitted online through the player's IPIN account. In exceptional circumstances, the ITF will accept a Withdrawal on an Official Withdrawal Form. Players should contact the ITF prior to relevant deadline for consideration of exception. The Withdrawal Form can be found in IPIN.

C. Entry and Withdrawal Deadline

The Entry Deadline is at 14:00 hours (GMT) on the Thursday eighteen (18) days prior to the Monday of the Tournament Week.

The Withdrawal Deadline is at 14:00 hours (GMT) on the Tuesday thirteen (13) days prior to the Monday of the Tournament Week.

In exceptional circumstances or during UK office holidays, the ITF may modify the deadlines, in which case players will be notified.

It is the player's responsibility to make all entries and withdrawals and to check his position on the Acceptance Lists.

If a player has entered multiple events, he should remove himself from all events he no longer wishes to compete in before the Withdrawal Deadline. Failure to do so may result in penalty in accordance with Article II of the Code of Conduct.

D. At the Entry Deadline

At the Entry Deadline, players will be placed on Acceptance Lists for Singles according to the Singles System of Merit. For each Tournament a player has entered, the player will be listed in the Singles Main Draw, Singles Qualifying or as an Alternate based on the System of Merit.

If a player has been accepted into an ATP Tour main draw or qualifying event, ATP Challenger main draw or qualifying event, he will be immediately withdrawn from the Entry Lists of all Men's ITF World Tennis Tour Tournaments.

A player's position on the Acceptance list may change until the Freeze Deadline. Players are required to withdraw according to the procedures detailed in the regulations above from any Tournament they are unable to play. Players should check their position on the relevant Acceptance List until the Freeze Deadline.

E. At and After the Withdrawal Deadline

1. Singles Procedure

If at the time of the Withdrawal Deadline, a player has been accepted into an ATP Tour or ATP Challenger main draw or qualifying event, he will be withdrawn from the Acceptance Lists of all Men's ITF World Tennis Tour Tournaments.

If a player is accepted into the Main Draw or Qualifying of more than one Men's ITF World Tennis Tour Tournament or ITF World Tennis Tour Juniors Tournament starting in the same week, he will remain on one Acceptance List and will be immediately withdrawn from the Acceptance Lists of all other Tournaments at the Withdrawal Deadline, according to the following criteria in order, until he is only on one Acceptance List:

- a) ITF World Tennis Tour Professional Tournaments take priority over ITF World Tennis Tour Junior Tournaments; then
- b) Main Draw takes priority over Qualifying, and Qualifying over Alternates; then
- c) Tournament Entry Priority

If a player's chosen priorities are unclear, he will be immediately withdrawn from all but one Entry List by the ITF at the Withdrawal Deadline, according to the following criteria, in order, until he is only on one Acceptance List:

- a) The Tournament offering the highest prize money will take priority, or if equal; then
- b) The Acceptance List on which he is highest placed will take priority, or if equal; then
- c) The Tournament which is geographically closest to his country of Nationality will take priority.

Exception: If a player is accepted into the Main Draw of a Junior Grand Slam tournament, that tournament will be prioritised over all other tournament entries that week (i.e. including Men's M25 tournaments or any other Junior tournament).

2. Automatic Withdrawals in Doubles after the Advance Entry Doubles Entry Deadline

At the Advance Entry Doubles Entry Deadline (six days prior to the Monday of the Tournament week, see section VI for further details), if a Player has been accepted into the Main Draw or Qualifying of a Singles Tournament and has also made an Advance Entry in Doubles for a different Tournament in the same week, then that Player and his Doubles partner will be removed from that other Tournament's Doubles Acceptance List.

3. Commitment Rule

Prior to the Singles Withdrawal Deadline a player's status on an Acceptance List is not confirmed. A player who appears on an ITF World Tennis Tour Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and Committed to play the Tournament.

Exception: Committed players can, however, remain on ATP/Challenger Alternates lists and be accepted into the Main Draw or Qualifying Acceptance List of an ATP Tour or ATP Challenger Acceptance List until 10:00 Eastern Standard Time (GMT-5) on the Friday preceding the Tournament Week without penalty. After 10:00 EST on that day, a Committed player is not permitted to withdraw from an ITF tournament to play up into an ATP Tour or ATP Challenger event and will be subject to applicable Code of Conduct Article II.B.4. Playing Another Event / One Tournament Per Week penalties.

If a player withdraws his Entry from the Main Draw or Qualifying of a Men's ITF World Tennis Tour Tournament for any reason after the Withdrawal Deadline the withdrawal will be considered a Late Withdrawal and will be subject to the Late Withdrawal/No Show provisions in the Code of Conduct. Each player is allowed three late withdrawals without penalty per calendar year provided a withdrawal was made online in a player's IPIN account before the Qualifying Sign-In Deadline. The rules regarding Late Withdrawals can be found in the Code of Conduct in Article II. B.1 and B.2.

In addition to having three late withdrawals per year there are circumstances in which a player can obtain a Medical Certificate at the Tournament by seeing the Tournament Doctor or Sports Physiotherapist. These rules are detailed in the Code of Conduct, in Article II. B.3 (On-site Medical Withdrawal)

There are circumstances in which a Committed player can play another event and not be penalised, and these rules are detailed in the Code of Conduct in Article II. B.4 (Playing Another Event / One Tournament Per week) of the Code of Conduct.

Players are encouraged to read the Fines Guidelines and Entry Offence provisions located in the Code of Conduct for information on the penalties imposed for Late Withdrawals.

Any player accepted into the Singles Main Draw, Doubles or Singles Qualifying who fails to appear for the Tournament without submitting an online withdrawal in a player's IPIN account shall be penalised with a No-Show code violation.

If a player is not accepted into any Men's ITF World Tennis Tour Tournament in a given week, he may remain on more than one Acceptance List as an Alternate until the Freeze Deadline. A player who appears on one or more Alternate List(s) is not Committed to play in any of these Tournaments and may withdraw at any time, without penalty, until he moves into a Qualifying or Main Draw Acceptance List, at which time he will be automatically withdrawn from all other Acceptance Lists by the ITF.

4. Alternates

A player who appears on one or more Alternate List(s) is not Committed to play in any one Tournament and may withdraw at any time, without penalty, until he moves into a Singles Main Draw or Singles Qualifying Acceptance List (up until the Freeze Deadline), at which time he will be automatically withdrawn from all other Acceptance Lists by the ITF.

Players who are entered into multiple tournaments for a given week should withdraw themselves from those they do not wish to compete in before they move into Qualifying and become Committed to a Tournament.

Singles Alternates accepted into the Main Draw of a Doubles Acceptance list after the Doubles Entry Deadline will be removed from all Singles Alternate lists except the same Tournament where they have been accepted into Doubles (if applicable). Please see Section VI, Doubles Entries and Withdrawals, for further details.

Alternates will be removed from all but one (1) Acceptance List at the Freeze Deadline. See process below.

F. Freeze Deadline

The Freeze Deadline is at 14:00 hours (GMT) on the Thursday preceding the Tournament Week. Alternate players not yet accepted to a Main Draw or Qualifying Draw may change their priority until

the Freeze Deadline. Once the Freeze Deadline has passed, players are not permitted to make any changes to their tournament order of priority.

After the Freeze Deadline has been processed, all players on the Singles Qualifying Acceptance List will no longer be moved into the Singles Main Draw, and players will remain on only one Alternate List and will no longer be moved into a Qualifying Acceptance List. Players will remain on one Alternate List according to their tournament chosen priority, unless the player is accepted at the Freeze Deadline into the Doubles of a tournament accepting Advance Entries. At that point the player will only remain on a Singles Alternate list if it is the same Tournament where he was accepted into Doubles. Alternates that have not been accepted into Singles and/or Doubles are not Committed to play the Tournament.

Since Alternates are not Committed to any tournament, they are able to Sign-In at any Tournament during a given week. However, if the player does not Sign-In at their top priority Tournament after the Freeze Deadline, he will be ordered as an On-Site Alternate, which means the player will be ordered after all players on the Alternates List at the Freeze Deadline.

A player who wishes to withdraw from the Singles Main Draw or Singles Qualifying after the Freeze Deadline must submit a withdrawal online through the player's IPIN account or he will be subject to the penalties provided for a No Show at Article II.B.1 of the Code of Conduct.

G. Playing Another Event / One Tournament Per Week

1. General

When a player is accepted into the Qualifying or Main Draw of a Tournament as Direct Acceptance, Junior Reserved, Junior Accelerator, Special Exempt or Wild Card at any time after the Withdrawal Deadline, he is Committed to that Tournament unless released by the ITF or ITF Supervisor as detailed in Article II. B.3 or B.4 of the Code of Conduct, and with the exception of ATP/Challenger rules set out in section V.E.2 above.

A player who is Committed to and/or has played in the Main Draw or Qualifying of a Men's ITF World Tennis Tour Tournament may not enter or compete in any other tennis event during the period of such Tournament except as stated in Article II. B.4 of the Code of Conduct.

Players may not be accepted into a Men's ITF World Tennis Tour and an ITF World Tennis Tour Junior Tournament during the same week. Players will be withdrawn from all but one Tournament at the Withdrawal Deadline based on the withdrawal procedure described above. If a player is found after the Withdrawal Deadline to have been accepted into two Tournaments (Men's and Juniors) in one week, they will be withdrawn from one Tournament at the earliest opportunity, also according to the withdrawal procedure set out above.

2. Grand Slam Tournaments and Multi-Week ATP Tour Tournaments

a) Participation during Qualifying and/or First Week.

A player is allowed to play in two Professional Tournaments (one of which must be a Grand Slam Tournament or multi-week ATP Tour Tournament) during this two-week period, provided the player

has been eliminated from Singles and Doubles of the first Tournament prior to the Qualifying Sign-In Deadline of the second Tournament.

In the event that a player has competed in two Professional Tournaments in the first week, then the player must withdraw from any Men's ITF World Tennis Tour Tournament in the second week following the Qualifying.

b) Participation during the Second Week

A player is allowed to play in a Men's ITF World Tennis Tour Tournament during the second week of a Grand Slam Tournament or multi-week ATP Tour Tournament provided he has been eliminated from the Singles and Doubles of that Tournament prior to the Men's ITF World Tennis Tour Tournament Qualifying Sign-In Deadline. Any such player who is still competing in the Grand Slam Tournament or multi-week ATP Tour Tournament at this deadline must withdraw from the relevant Men's ITF World Tennis Tour Tournament.

A player is not allowed to withdraw from a Grand Slam Tournament or multi-week ATP Tour Tournament to play a Men's ITF World Tennis Tour Tournament.

H. On-Site Medical from Week 1 & Participation in Week 2

1. A player may not Withdraw onsite or retire from a Tournament in Week 1 and then go on to play in any other Tournament in Week 2 except for valid medical reasons. If a player is forced to withdraw onsite or retire from Week 1 due to medical reasons, and he is entered in a Tournament in Week 2, that player must receive a medical examination from the Tournament Doctor/Sports Physiotherapist from Week 1 and submit his medical examination to the Tournament Doctor/ Sports Physiotherapist for Week 2. To be eligible to compete in Week 2 the player must receive a medical examination and clearance from the Tournament Doctor/Sports Physiotherapist.

A player is not allowed to play in Week 2 if:

- a) he has withdrawn or retired from Week 1 without cause, or
- b) he has withdrawn or retired from Week 1 for valid medical reason, but he fails to receive a medical examination for Week 2 from the Tournament Doctor/Sports Physiotherapist.

Any player who is discovered to have contravened rules (a) and (b) above shall not receive ATP or ITF World Tennis ranking points for Week 2. The player will also be subject to a fine pursuant to the Entry Offences section of the Code of Conduct. This rule does not apply to a player whose partner in Doubles has been forced to withdraw or retire from their match.

2. A player that has endured a medical condition during the Tournament Week, but who completes their Tournament matches, may obtain a Medical Certificate from the Tournament Doctor/Sports Physiotherapist that can be used to withdraw from the following week's Tournament without penalty. The player must obtain the Medical Certificate within 24 hours of completing their final match.

If the player wishes to use the Medical Certificate to withdraw from the following week's Tournament then the player must inform the ITF and the ITF Supervisor of the next Tournament (if after the Freeze deadline) no more than 48 hours after obtaining the Medical Certificate or before the Qualifying Sign-In Deadline, whichever is sooner.

Players who complete their final match of the Tournament after the Qualifying Sign-In Deadline of the following week's Tournament must obtain a Medical Certificate and inform the ITF Supervisor before leaving the site if they wish to withdraw.

I. Wild Cards

Wild Cards are eligible players included in the Main Draw or Qualifying at the sole discretion of the Tournament Organiser on approval from the host National Association. Wild Cards may be seeded. Players receiving Wild Cards must have an IPIN account.

As stated in the Code of Conduct in Article II, B.4., a player who is Committed by way of Entry or Wild Card to a Tournament may only accept the offer of a Wild Card into another Tournament in the same week, if the Player makes an official late withdrawal before the Qualifying Sign-in Deadline and the Player meets one of the two requirements below:

- i) A player accepted into Qualifying of a Men's ITF World Tennis Tour Tournament is nominated to receive a Wild Card into the Main Draw of another Professional tournament (ITF, ATP or Grand Slam) (i.e. moving from Qualifying to Main Draw);
- ii) A player accepted into Qualifying or Main Draw of a Men's ITF World Tennis Tour Tournament is nominated to receive a Wild Card into the Qualifying or Main Draw of another Professional tournament in a higher prize money category (ITF, ATP Tour, ATP Challenger or Grand Slam) (example M15 to M25.)

Wild Cards must be named at the time the Qualifying or Main Draw is made. Wild Cards who Withdraw cannot be replaced with new Wild Cards after the appropriate draw is made. Any such vacancies shall be filled in accordance with Section V.L. Vacancies/Substitutions below.

Players and Tournaments should retain written confirmation of the offer and acceptance of a Wild Card. Players and Tournaments may not offer and/or receive any compensation for receiving or awarding a Wild Card. Acceptance of the offer of a Wild Card constitutes the Player's Commitment to the Tournament.

No player who has signed-in for and been accepted into the Qualifying of the Tournament may be named as a Singles Wild Card after the Qualifying competition has commenced.

A Tournament may not offer a Wild Card or accept the Entry from any player who has either accepted a Wild Card or been Committed by an Entry to another Tournament in the same week except as stated in Article II, B.4 of the Code of Conduct.

J. Special Exempt (SE)

1. Eligibility

Special Exempt places are determined based on the criteria set out below. Players can apply for a Special Exempt for tournaments that overlap and tournaments that do not overlap.

a) Overlapping Tournaments

An Overlapping Tournament is defined as a tournament in one week ("Week 1") where matches are played on overlapping days with a tournament being held in the following week ("Week 2") (either because of the standard schedule or because of weather). A player is eligible to apply for a Special Exempt into the Singles Main Draw of a tournament in Week 2 if that player is still competing in the Singles competition of a Qualified Tournament in Week 1 and has met the criteria listed below at i), ii), and iii).

b) Non-Overlapping Tournaments

A Non-Overlapping Tournament is defined as a tournament in Week 1 which is completed by at least the day before the Qualifying event is scheduled to start in Week 2. A player is eligible to apply for a Special Exempt into the Singles Main Draw of a tournament in Week 2 if that player has participated in the Singles final of a Qualified Tournament in Week 1 and has met the criteria listed below at i), ii), and iii).

The criteria for Special Exempt places are:

- i) The player is entered in a Tournament in "Week 2" and is currently listed on the Qualifying Acceptance List (not the Alternates List) for that Tournament;
- ii) During the "Week 1" Tournament, the player in conjunction with the ITF Supervisor must personally notify (either face-to-face or via telephone) the "Week 2" ITF Supervisor of their Special Exempt request;
- iii) The request for Special Exempt must be made prior to the Qualifying Sign-In Deadline (18:00 hours local time) the day before the scheduled start of the Qualifying competition) of the "Week 2" Tournament. Players still playing in Singles in the Week 1 tournament at the time of the Qualifying Sign-In Deadline of Week 2, must reconfirm if they are playing the following day as soon as their match(es) are completed, and if potentially eligible for a Special Exempt position such position shall be held open until such confirmation has been received.

Special Exempt status shall not be available for players who request such an exempt as a result of competing in the Doubles event of a Week 1 Tournament.

The player must confirm with the ITF Supervisor of the Week 2 Tournament that the Supervisor has received their request prior to the deadline, in accordance with Section V.L. Vacancies/Substitutions below.

2. Qualified Tournament for Special Exempt

For M15 and M25 Tournaments: the Singles event of any M15, M25, or ATP Tour or ATP Challenger Tournament within the same region in the preceding week.

For the purposes of Special Exempts, there are five (5) regions: Africa, Asia/Oceania, Europe, North America/Central America, and South America.

3. Selection Process for Special Exempt

At each Men's ITF World Tennis Tour Tournament there are up to two (2) places held in the Main Draw for Special Exempts unless there is no Qualified Tournament from the previous week. If there are more eligible Special Exempt applicants than available positions in the draw, the players shall be selected as follows:

a) Special Exempt into M15 Tournaments

A player requesting a Special Exempt as a result of performance in a M15, M25, or ATP Challenger/ATP Tour tournament shall be ordered and accepted according to the ranking from Monday seven (7) days before the Tournament Week (including a player's Protected Ranking, if used to enter the Tournament). ATP Singles Ranking will take precedence, followed by ITF World Tennis Singles Ranking. Ties in ranking will be randomly drawn.

b) Special Exempt into M25 Tournaments

A player requesting a Special Exempt as a result of performance in a M25 or ATP Challenger/ATP Tour tournament will have first priority. The players requesting a Special Exempt shall be ordered and accepted according to their ranking from Monday seven (7) days before the Tournament Week (including a player's Protected Ranking, if used to enter the Tournament). ATP Singles Ranking will take precedence, followed by ITF World Tennis Singles Ranking.

If one or more spaces remain, a player requesting a Special Exempt as a result of performance in M15 Tournaments will have second priority. These players shall be ordered and accepted according to their ranking from Monday seven (7) days before the Tournament Week (including a player's Protected Ranking, if used to enter the Tournament). ATP Singles Ranking will take precedence, followed by ITF World Tennis Singles Ranking. Ties in ranking will be randomly drawn.

Unsuccessful applicants will not be penalised under the Late Withdrawal/ No Show provisions of the Code of Conduct.

If prior to the Qualifying Sign-In Deadline there are no requests for the use of a Special Exempt position, such places shall become places for Direct Acceptance.

If prior to the Entry Deadline it is established that there will be no Special Exempt places into a Men's ITF World Tennis Tour Tournament because there are no Qualified Tournaments in the week preceding the Tournament, then the places reserved in the Main Draw for Special Exempts shall become places for Direct Acceptances and will be indicated as such on the Acceptance List.

K. Sign-In

1. Main Draw

Players accepted into the Singles Main Draw are not required to Sign-In with the ITF Supervisor. Players must be onsite and available to play their first-round match as scheduled. Each Player must provide a contact telephone number so the ITF Supervisor may contact the Player during the Tournament.

2. Qualifying

a) General

The Qualifying Sign-In Deadline is at 18:00 hours local time at the site of the Singles Qualifying event on the day before the scheduled start of the Qualifying event unless specified otherwise on the published Fact Sheet.

Players accepted into the Singles Qualifying Draw are not required to Sign-In with the ITF Supervisor. Players must be on-site and available to play their first-round match as scheduled.

Wild Cards do not have to Sign-In with the ITF Supervisor.

In exceptional circumstances the ITF may extend the Qualifying Sign-In Deadline for all players in advance, in which case players will be notified. The Qualifying Sign-In Deadline will not be extended for individual players in any circumstances.

The ITF Supervisor/Referee of a Professional Tournament, ITF Sanctioned Tournament, ITF Team Competition or a national competition (if requested by the relevant National Association and approved by the ITF at least two (2) weeks in advance) in the preceding week may Sign-In any player who has competed on the last two days preceding the scheduled start of the Qualifying competition.

Each player must provide a contact telephone number so the ITF Supervisor may contact the Player during the Tournament.

Sign-In Procedure

Entered Alternate players (who wish to compete) must Sign-In by contacting the on-site ITF Supervisor either in person or by a telephone conversation. Entered Alternates that do not Sign-In either in person or by telephone will not be considered for inclusion in the draw.

On-Site Alternates may also Sign-In by a telephone conversation with the ITF Supervisor. On-Site Alternates that want to Sign-In either in person or by telephone must send an email to the Supervisor and then call the Supervisor and confirm they have been signed in before the Sign-In Deadline. Players who only email the Supervisor and do not communicate with the Supervisor by phone will not be accepted as an official Sign-In.

Sign-In is only completed when a player has signed in or been in contact with the ITF Supervisor. Paying an entry fee or collecting accreditation, for example, are separate from the official Sign-In procedure.

In all circumstances of telephone Sign-In, the player must be able to be onsite and play his first-round match as scheduled.

b) Preserved Eligibility

Players in the Singles Qualifying (except Alternates) as determined at the Freeze Deadline can preserve their eligibility for unused Special Exempt places or Singles Main Draw vacancies (following

withdrawals after the Freeze Deadline) by personally contacting the ITF Supervisor on-site prior to the Qualifying Sign-In Deadline.

If the Special Exempt places are used or there are no Main Draw vacancies, the players that Preserved Eligibility are not eligible to play the Qualifying and are subject to the provisions set forth in Article II. B.1 (Late Withdrawal) or Article II.B.2 (No Show) of the Code of Conduct.

If unused Special Exempts place(s) or Main Draw vacancies are not so preserved, such places shall be filled in accordance with the section V.L. Vacancies/Substitutions below.

c) Signing into Multiple Tournaments the same week

Alternates and On-Site Alternates may Sign-In for the Qualifying of a second Tournament during the same week provided:

- i) the Qualifying Sign-In Deadline of the second Tournament is on a later day than the Qualifying Sign-In Deadline of the first Tournament; and
- ii) the player was not accepted into the Qualifying draw of the first Tournament.

d) Playing in a Week 1 event and Signing-In for a Week 2 event

Players who cannot appear for the Singles Qualifying Sign-In at an ITF World Tennis Tour Tournament because they are still competing in a previous week's related Men's ITF World Tennis Tour Tournament may be signed in for the Singles Qualifying and may be permitted to compete in both events subject to the approval of both ITF Supervisors and provided it does not unfairly disrupt the Singles Qualifying schedule.

L. Vacancies/Substitutions

Vacancies shall be filled with substitutes in accordance with the following:

1. From the Withdrawal Deadline until the Freeze Deadline:

Direct Acceptance vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with the applicable System of Merit. A player not accepted into the Main Draw or Qualifying will appear on the Tournament's Alternates List.

In M15 Tournaments, vacancies in the Junior Reserved places will be filled by the next eligible entered player on the Junior Reserved Alternate List. If no players are eligible for the Junior Reserved place, the place will revert to a Direct Acceptance place and be filled in accordance with the applicable System of Merit.

2. From the Freeze Deadline until the Qualifying Sign-In Deadline:

a) M15 Tournaments

Following the Freeze Deadline, the Junior Reserved Alternate List will no longer be used to fill vacancies for Junior Reserved withdrawals and the Alternates List, which already includes those players on the Junior Reserved Alternate List, will be the only list used to replace any vacancies.

b) M25 Tournaments

All vacancies in the Qualifying or Main Draw shall be filled, at the time of the Qualifying Sign-In Deadline, by players who have signed in for the Qualifying event as detailed below.

3. At the Qualifying Sign-In Deadline:

Vacancies in the Main Draw Acceptance List (created by Late Withdrawals, unused Special Exempt positions, and Main Draw Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by players who appear on the Qualifying Draw Acceptance list or have Preserved Eligibility for Main Draw by contacting the ITF Supervisor (see Regulation K.2.b. above) and shall be selected in accordance with the Section V.L. Vacancies/Substitutions and in accordance with the applicable Singles System of Merit.

Vacancies in the Qualifying Acceptance List (created by Late Withdrawals, players being moved to the Main Draw as above or Qualifying Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by players who have Signed-In for the Qualifying event in accordance with the applicable Singles System of Merit.

4. From the Qualifying Sign-In Deadline until the Order of Play is released. From the time the Order of Play is released until the Commencement of the Qualifying Competition:

Any Special Exempt places held for extenuating circumstances (e.g. Tournaments delayed due to weather) or vacancies in the Qualifying or Main Draw shall be filled by players who have signed in for the Qualifying event, selected in accordance with the applicable System of Merit until the Order of Play is released. From this point until the Commencement of the Qualifying Competition any vacancy in the Qualifying will be filled by players who have signed-in for the Alternates List on the following day. The Qualifying competition commences when the first ball of the first Qualifying match is struck.

5. After Commencement of the Qualifying Competition:

- a) Vacancies in the Qualifying shall be filled by players who have signed the Alternates List in accordance with Section V.M, selected in accordance with the applicable System of Merit.

If there is no Qualifying, vacancies in the Main Draw shall be filled by players who have signed the Alternates List in accordance with Section V.M, selected according to the System of Merit.

- b) Vacancies in the Singles Main Draw shall not be filled until the completion of the Singles Qualifying and shall only be filled by Lucky Losers. The Lucky Losers shall be ordered and selected as follows:
- i) Players who have reached the final Qualifying round of the Qualifying competition; then
 - ii) Players with an ATP Ranking shall be randomly drawn; then
 - iii) Players with an ITF World Tennis Ranking shall be randomly drawn; then
 - iv) The order of Nationally Ranked and unranked players shall be randomly drawn.

If players from previous rounds are needed to fill the draw or desire to Sign-In as a Lucky Losers, they will be placed after all players who have lost in the final round of Qualifying and ordered as described above.

Protected Rankings shall not be used to order players for Lucky Loser positions.

If a player is forced to retire from his final round of Qualifying due to illness or injury, the player will retain his Lucky Loser status provided he receives medical clearance from the Tournament Doctor/Sports Physiotherapist.

6. After the Completion of the Qualifying Competition:

If after the completion of the qualifying competition there are vacancies in the Main Draw, the ITF Supervisor will fill the Main Draw with all of the Qualifiers and, if necessary, Lucky Losers in order that they were drawn as detailed above. It shall be assumed all players who lost in the last round of Qualifying will want to take a position in the Main Draw. Therefore, it is the player's responsibility to inform the ITF Supervisor at the end of their match if they do not want to be considered for a Lucky Loser position.

M. Sign-In Requirements for Substitutes

1. Alternates and Lucky Losers (Singles and Doubles) have the option of signing in each day before the start of play for an opportunity to compete in any eligible open position in the draw. Players wishing to Sign-In for an opportunity must be present and Sign-In 30 minutes prior to the scheduled start of play with the ITF Supervisor. Players may also Sign-In by a telephone conversation with the ITF Supervisor. Alternates and Lucky Losers that want to Sign-In by telephone must send an email to the Supervisor and then call the Supervisor and confirm he has been signed in before the Sign-In Deadline. Players who only email the Supervisor and do not communicate with the Supervisor by phone will not be accepted as an official Sign-In. Eligible players must sign and re-sign the appropriate list each day before the start of play.

When the last round of Qualifying and the first round of Main Draw are played on the same day, Lucky Losers must Sign-In no later than 30 minutes after the completion of the last Qualifying match.

Players can find the Sign-In Deadline on the Order of Play. It is the player's responsibility to contact the ITF Supervisor with any questions about the time and location of the Sign-In Deadline.

2. Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of five (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

3. If the Alternate is not available according to paragraph 2 above, he shall be placed at the bottom of the Alternate List for that day. If the eligible Lucky Loser is not available according to paragraph 2 above, he shall be placed at the bottom of the Lucky Loser priority list for that day corresponding to the Qualifying round in which he lost. Such players will not be penalised under the Article II.B.1 or B.2 Late Withdrawal/No Show. If a player does not sign up for Alternate or Lucky Loser status one day, he may still sign up on the next day.

N. Administrative Error on Acceptance Lists

If an administrative error is made on an Acceptance List, resulting either in a player not being included or too many players being accepted into the Tournament, the Acceptance List will be corrected at the earliest opportunity in accordance with the System of Merit.

If a player's National Ranking is not considered for ordering a player on the Acceptance List because the data provided by the National Association did not match the ITF's data, then a correction to any published Acceptance List will be at the discretion of the ITF. All future Entry Lists will be corrected once the revised information has been sent by the National Association.

If due to an administrative error too many players arrive on-site and Sign-In to play the Tournament, the following procedures will be followed: the last two (2) players accepted into the Tournament based upon the most current updated Acceptance List (excluding Wild Cards and Qualifiers) will play a preliminary match for one (1) position in the draw.

All preliminary matches for singles will be played as best of three sets with two (2) tie-break sets, and if the score reaches one set all, one match tie-break game (10 points) shall be played to decide the match, and for doubles as best of three sets with two (2) tie-break sets, and if the score reaches one set all, one match tie-break game (10 points) shall be played to decide the match. No-ad scoring must be used.

M15 and M25 Tournaments

The loser of the preliminary match will receive no ATP and/or ITF World Tennis Ranking points but will receive 1st round prize money. Prize money payment to the loser of the preliminary match will be paid by the ITF. A player who wins the preliminary match but then loses in the 1st round will receive 1st round prize money plus 25% of 2nd round prize money and 50% of 2nd round ITF World Tennis Ranking points. ATP ranking points will not be awarded.

In the event that the administrative error takes place on-site, it is the responsibility of the ITF Supervisor to inform the ITF Men's department of this administrative error.

O. Late Cancellations

In the event that a Tournament is cancelled late, players accepted into that Tournament may, at the ITF's discretion, be placed as "next in" on the Main Draw or Qualifying Acceptance List, as appropriate, of another Tournament taking place in the same week.

VI. DOUBLES ENTRIES AND WITHDRAWALS

Tournaments offering M25 in prize money will accept up to seven (7) Doubles teams by Advance Entry with the remaining Doubles teams selected by the existing onsite procedure. Tournaments offering M15 in prize money will not offer Advance Entry and will retain the onsite procedure for all Doubles entries.

A. Advance Entry at M25 Tournaments

Advance Entry is available at M25 Tournaments (including +H Tournaments).

Advance Entries are only accepted from players with an ATP Doubles ranking, subject only to the Play Down provisions of these Regulations.

1. Entry and Withdrawal Procedures

Players may make only one advance entry in a Doubles tournament each week and this must be submitted online through a player's IPIN account. During the IPIN entry process, one member of the Doubles team must propose the partnership to the second member. The second member must confirm their acceptance of the Doubles entry in IPIN prior to the Advance Entry Doubles Entry Deadline ("Doubles Entry Deadline"). Any partnership not confirmed by this time will be removed from the Entry list. It is the players' responsibility to make all entries and withdrawals and to check his / the team's position on the Doubles Acceptance Lists.

Players can add or change Doubles entries up until the Doubles Entry Deadline, but in all cases the entry must be confirmed prior to the deadline.

The Entry, Withdrawal and Freeze Deadlines for Doubles are detailed below. In exceptional circumstances or during UK office holidays, the ITF may modify the deadlines, in which case players will be notified.

2. Doubles Entry Deadline

The Doubles Entry Deadline is at 14:00 hours (GMT) on Tuesday, 6 days prior to the Tournament. In the event of any technical issues that prevent the ITF from processing the Doubles Entry Deadline 6 days prior to the tournament, then the Doubles Entry Deadline in that week will revert to On-Site entry.

At the Doubles Entry Deadline, Doubles teams will be ordered on a Doubles Acceptance List according to the applicable Doubles System of Merit. The first seven (7) accepted teams will be listed in the Main Draw. Additional teams will be listed as Alternates.

Doubles teams are not Committed to the Tournament until the Doubles Withdrawal/Freeze deadline.

Entered Teams where one or both members of the team do not have an ATP ranking will be removed at the Doubles Entry Deadline.

A player's Singles entries may affect their Doubles entry at the Doubles Entry Deadline.

- a) A player who is entered or accepted into the Main Draw or Qualifying of Singles of a Men's ITF World Tennis Tour Tournament at the Singles Withdrawal Deadline may only enter Doubles at the same Tournament. If the player has entered the Doubles of another Men's ITF World Tennis Tour Tournament, his Doubles entry (and that of his partner) will be withdrawn at the Doubles Entry Deadline.
- b) Players accepted into the Main Draw or Qualifying of Singles at an ITF World Tennis Tour Juniors Tournament after the Singles Withdrawal Deadline may not make an Advanced Entry

for Doubles. If the player has entered the Doubles of a Men's ITF World Tennis Tour Tournament, his Doubles entry (and that of his partner) will be withdrawn at the Doubles Entry Deadline.

- c) Players accepted into one of the seven (7) Main Draw Doubles positions, and who are also Singles Alternates at other ITF World Tennis Tour Tournaments in the same week, will be removed from all Singles Alternates lists except (if applicable) the same Tournament where the player was accepted into Doubles.

3. Between the Doubles Entry Deadline and the Doubles Withdrawal/Freeze Deadline.

- a) A Doubles team's position on the Acceptance List may change until the Freeze Deadline. Players that are listed as Doubles Alternates can move into the Doubles Main Draw positions until the Withdrawal/Freeze Deadline, based on the withdrawals of teams above them.
- b) Players who are included on the Doubles Alternates List and do not wish to play a Tournament for a given week should withdraw themselves from that Tournament before the team moves into the Doubles Main Draw, because players who are also Singles Alternates in the same week may find their Singles entries amended due to moving into a Doubles Main Draw position.

4. At and After the Doubles Withdrawal/Freeze Deadline

The Withdrawal and Freeze Deadlines for Doubles take place at the same time, 14:00 hours (GMT) on the Thursday four (4) days before the Monday of the Tournament Week. This is the same time as the Singles Freeze Deadline.

a) Procedure

- 1) At the Doubles Withdrawal/Freeze Deadline, Doubles Teams in Main Draw positions are Committed to the Tournament.
- 2) At the Freeze Deadline, the Advance Entry Doubles Alternate List will no longer be used and will be removed.
- 3) Teams listed as Alternates at the Doubles Freeze Deadline are not Committed to the Tournament. Any such teams will need to Sign In as an On-Site Entry if they wish to play. Advance Entry Doubles Alternate teams have no priority over other teams which Sign-In On-Site. Members of an Alternate Doubles team may Sign-In On-Site with the same or a different partner.
- 4) All vacancies and remaining positions in the Draw will be filled by the applicable On-Site Entry procedure.
- 5) A Doubles withdrawal made after the Freeze Deadline must be submitted online through a player's IPIN account or he will be subject to sanction pursuant to the Code of Conduct, Article II.B.

b) Commitment Rule

Prior to the Doubles Withdrawal/Freeze Deadline a Doubles team's status on an Acceptance List is not confirmed. A Doubles team which appears on an ITF World Tennis Tour Doubles Main Draw

Acceptance List at any time after the Doubles Withdrawal/Freeze Deadline is deemed to have been accepted into and is Committed to play the Tournament.

Players are required to withdraw according to the procedures detailed in the regulations above from any tournament they are unable to play and the players should check their Tournament status on the Acceptance List until the Freeze Deadline.

If one player of the Doubles team withdraws his Entry from the Doubles Main Draw of a Men's ITF World Tennis Tour Tournament for any reason after the Withdrawal Deadline, the withdrawal will be considered a Late Withdrawal and will be subject to the Late Withdrawal/No Show provisions at Article II.B of the Code of Conduct.

Any player accepted into Main Draw Doubles but that fails to appear for the Tournament without notifying the ITF and ITF Supervisor (if after the Freeze Deadline) of his withdrawal shall be subject to sanction pursuant to the Code of Conduct, Article III.B.

The player responsible for the Withdrawal of his team after the Withdrawal/Freeze Deadline will be subject to Article III.B.1. (Late Withdrawals) or B.2 (No Show) of the Code of Conduct unless Article II.B.3 or B.4 applies:

- B.3 On-site Medical Withdrawal: There are circumstances in which a player may validly withdraw from a Tournament provided that player obtains a Medical Certificate at the Tournament by seeing the Tournament Doctor or Sports Physiotherapist.
- B.4 (Playing Another Event / One Tournament Per week): There are circumstances in which a Committed player may validly withdraw from a Tournament in order to play another event and not be penalised.

The player responsible for the Withdrawal of an Advance Entry Doubles team after the Doubles Withdrawal/Freeze Deadline may not compete in Doubles during the same Tournament Week in which they have withdrawn. However, the withdrawing player's partner may find a new partner and Sign-In On-site for Doubles at the same or another ITF tournament.

If, in the opinion of the ITF Supervisor or ITF (as applicable) both players are responsible for Withdrawal after the Withdrawal/Freeze Deadline, both players shall be subject to sanction under the Code of Conduct, Article II.B and neither player will be allowed to compete in Doubles during the Tournament Week.

Each player is allowed three Doubles late withdrawals without penalty per calendar year provided the Withdrawal is made in accordance with the procedure set out at Section VI.A(1) above.

Players are encouraged to read the Fines Guidelines and Entry Offence provisions located in the Code of Conduct for information on the penalties imposed for Late Withdrawals/No Shows.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse or revoke any player's Entry to any Men's ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

B. On-Site Entry and Withdrawal Deadline - Doubles

Subject to the Play Down provisions of these Regulations, all players (i.e. those with an ATP ranking, ITF World Tennis Ranking, eligible ITF Combined Junior Ranking, National Ranking, and unranked), may enter Men's ITF World Tennis Tour Tournaments by the On-Site Entry Deadline.

At M25 Tournaments, at least six (6) teams are selected according to the On-Site procedure. More teams may be selected depending on the number of Advance Entry teams, see section A above.

At M15 Tournaments, all Doubles teams (with the exception of Wild Card teams) are selected according to the On-Site procedure.

The On-Site Entry and Withdrawal Deadline for Doubles, also known as the Sign-in Deadline, is at 14:00 hours local time on the day before the Doubles Main Draw event is scheduled to commence. Players shall be responsible for their own Sign-In and should check the Fact Sheet for Sign-In date and location.

All Doubles team Entries and Withdrawals must be received by the ITF Supervisor by the Sign-In Deadline.

Advance Entry Doubles teams on the Acceptance List after the Freeze Deadline do not need to Sign-In but must be ready to play as scheduled.

The Supervisor shall post the Doubles Sign-In sheet at a reasonable time prior to the announced Sign-In Deadline. One member of a Doubles team may complete On-Site Sign-in on behalf of the team. The ITF Supervisor reserves the right to accept timely telephone entries. In addition, a player may email the ITF Supervisor to Sign-In for Doubles (email Sign-In will not be processed if sent to the Tournament Director). Players who fail to Sign-In shall not be included in the Doubles draw.

On-Site Acceptances for Doubles shall be based on the applicable Doubles System of Merit.

A player that wants to use their ATP Protected Ranking to Sign-In On-Site for Doubles must notify the ITF Supervisor prior to the Sign-In Deadline.

The player responsible for the Withdrawal of an Advance Entry Doubles team after the Doubles Withdrawal/Freeze Deadline may not compete in Doubles during the same Tournament Week in which they have withdrawn. However, the withdrawing player's partner may find a new partner and Sign-In On-site for Doubles at the same or another ITF tournament.

If, in the opinion of the ITF Supervisor or ITF (as applicable) both players are responsible for Withdrawal after the Withdrawal/Freeze Deadline, both players shall be subject to sanction under the Code of Conduct, Article III.B and neither player will be allowed to compete in Doubles during the Tournament Week.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse or revoke any player's Entry to any Men's ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

C. Substitution of Doubles Teams

If a player or a team withdraws after the On-Site Entry/Withdrawal Deadline, Alternates shall be selected according to the applicable Doubles System of Merit.

The Sign-In for Doubles Alternates shall follow the same principles as the Sign-In for Singles Alternates (Section V.M. Sign-In Requirements for Substitutes). One member of a team may Sign-In for the team.

D. Wild Cards

Wild Cards are Doubles teams included in the Doubles draw at the sole discretion of the Tournament Organiser on approval from the host National Association. Wild Cards may be seeded, in accordance with the seeding procedure in section VIII.B. Wild Cards must be named at the time the draw is made. Wild Cards who withdraw cannot be replaced with new Wild Cards after the appropriate draw is made.

Players and Tournaments may not offer and/or receive any compensation for receiving or awarding a Wild Card. Acceptance of the offer of a Wild Card constitutes a player's commitment to the Tournament.

A Tournament may not offer a Wild Card or accept the Entry from any team who has either accepted a Wild Card or been Committed by an Entry to another Tournament in the same week except as stated in Article II, B.4 of the Code of Conduct.

A player who is Committed by way of Entry or Wild Card to a Tournament may only accept the offer of a Wild Card into another Tournament in the same week as permitted in Article II, B.4 of the Code of Conduct.

Substitution of Doubles Teams

If a player or a pair withdraws after the Entry/Withdrawal Deadline, Alternates shall be selected according to the applicable Doubles System of Merit.

The Sign-In for Doubles Alternates shall follow the same principles as the Sign-In for Singles Alternates (Section V.M Sign-In Requirements for Substitutes above). One member of a team may Sign-In for the team.

E. Contact Details

Each player must ensure that a contact telephone number is left with the ITF Supervisor where he may be reached during the Tournament.

VII. SYSTEMS OF MERIT

Players who wish to enter a Tournament with an ATP Protected Ranking must contact the ATP at least one week prior to the Entry Deadline requesting confirmation is sent to the ITF. When two or more players are tied, the actual ranking supersedes the Protected Ranking for acceptance purposes.

The following Singles selection procedure shall be used, subject to Section V.L. Vacancies / Substitutions, as the basis for acceptances as follows:

- i) Methods A to C are followed in order to create the Acceptance List and thereafter identify Direct Acceptances, up to the Freeze Deadline. At and after the Qualifying Sign-In Deadline, vacancies will be filled from the Alternates List, provided the player has Signed-In;
- ii) Method D is followed to identify Junior Reserved Places and Junior Reserved Alternates, up to the Freeze Deadline;
- iii) Methods E to G are followed after the Qualifying Sign-In Deadline in order to fill any remaining vacancies in the Tournament, after the Acceptance List is exhausted.

A. Singles System of Merit at M15 Tournaments

1. Method A – Direct Acceptance

Entered players with an approved ATP Singles Ranking, including a Protected Ranking, shall be selected in accordance with their positions on the approved ATP ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week.

2. Method B – Direct Acceptance

Entered players with an approved ITF World Tennis Singles Ranking shall be selected in accordance with their positions on the approved ITF World Tennis Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week

3. Method C – Direct Acceptance

Entered players without an approved ATP Singles Ranking and without an ITF World Tennis Singles Ranking but with a current Top 500 National Ranking will be drawn by computer at the ITF Office at the Entry Deadline as follows:

- i) Players will be sorted into groups of the same nationalities and ranked within those groups according to National Ranking. Ties between players within those groups will be randomly drawn;
- ii) Each country with a player represented will be allocated a draw chip. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected and ordered on the Acceptance List until all the national ranked players are ordered. A country's chip shall go back into the draw until there are no more players in their group; then
- iii) All remaining entered players who are unranked and have no National Ranking, shall be randomly drawn by computer at the ITF Office for a position on the Acceptance List.

Players who are listed as Alternates after the Freeze Deadline will have priority for acceptance over On-Site Alternates.

4. Method D – Junior Reserved

Entered players with an approved ITF Combined Junior Ranking of 1-100 shall be selected for a maximum of three (3) Main Draw places. A Top 100 ITF Combined Junior Ranking can be achieved in 2 ways:

i) Current ITF Combined Junior ranking

In accordance with the player's position on the approved ITF Combined Junior Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week;

ii) "Carry-over" ITF Junior ranking

In addition, players born in 2005 may carry over their 11 December 2023 ITF Combined Junior ranking for the purposes of entering M15 Tournaments until the week in which they turn 19 years of age. The Monday of each week determines the player's age for that week. Thus, a player who is 18 on Monday but turns 19 on Tuesday would be eligible to use their ITF Combined Junior Ranking for that week but would no longer be able to use their ITF Combined Junior Ranking the following week. If two players share the same ranking (one with a current ranking, the other with a carry-over ranking), then the player with the current ITF Junior Ranking will be ordered before the player holding the carry-over ranking on the System of Merit.

Method D Junior Reserved Places are only available for players who cannot otherwise be accepted into the Main Draw on the basis of their ATP Singles Ranking or their ITF World Tennis Singles Ranking. A player must also have turned 14 years of age in order to be accepted into a M15 Tournament.

Junior players ranked outside the ITF Combined Junior Ranking Top 100 on the Entry Deadline are not eligible for a Junior Reserved Main Draw place.

After the Entry Deadline, any Junior Reserved places that become available through a Withdrawal will be filled by a player on the Junior Reserved Alternate List until the Freeze Deadline.

XIV. ITF WORLD TENNIS RANKING

A. Introduction

ITF World Tennis Ranking points are also awarded in ITF World Tennis Tour Tournaments. The ITF World Tennis Ranking system is a 52-week, cumulative system in which the number of Tournament results that comprise a player's ranking is capped at a player's best fourteen (14) Tournament results for Singles.

The ITF World Tennis Ranking will be used in conjunction with the ATP Rankings for acceptance and seeding in ITF World Tennis Tour Tournaments. See the applicable System of Merit in Section VII. Rankings are computed and published weekly by the ITF from its headquarters in London.

B. General Rules

1. Singles Rankings

Players are ranked based on their total points. A Singles ranking will be calculated based on a player's best fourteen (14) Singles results.

If players are tied, the ranking will be ordered as follows:

- a) The player with the fewest number of Tournaments played over the previous 52-week period.
- b) The highest number of points earned from one single Tournament, then, if needed, the second highest, and so on.

2. Processing of Rankings

ITF World Tennis Ranking Tournaments and the Tournament results used in the ranking will be calculated and published each Monday. ITF World Tennis Ranking points earned at these Tournaments will be processed a minimum of one (1) week following the completion of the Tournament and processed on a weekly basis. Points stay valid for fifty-two (52) weeks from the week in which the points are included in the ranking totals.

3. Eligibility

To earn an ITF ranking, players must have earned at least 1 ranking point at an event which offers ITF World Tennis Ranking points. Players under the age of fourteen (14) are not eligible for an ITF World Tennis Ranking. If a player under the age of fourteen (14) plays Singles or Doubles in a Tournament, that Tournament and the points acquired during play will not be counted for ranking purposes for that player.

C. ITF World Tennis Ranking Singles and Doubles Points

Please see Appendix I – ATP / ITF World Tennis Ranking Point Tables for the ITF World Tennis Ranking points awarded at Men's ITF World Tennis Tour tournaments.

1. Singles

- a) Players are awarded ranking points for the furthest round reached, unless the player is defaulted or there is a rule modifying the points.
- b) A match won by a player through retirement or walkover will count as a match won for ranking points. However, if a player receives a walkover in the first round and loses in the second round or has not won any matches in any previous rounds then no points shall be awarded.
- c) Losers in the last round of Qualifying, except players moving into the Main Draw as Lucky Losers and players who have not won a match to reach the Qualifying Final, will earn Final Qualifying round points.

- d) Loser points for the rounds reached are awarded to players in any Tournament not completed.
- e) If no matches are played in Qualifying Draw then no points will be awarded for that draw.

2. Doubles

No ITF Doubles points are awarded.

3. Byes, Withdrawals, Walkover and Defaults

The rules for prize money and points for Byes, Walkover, Withdrawals and Defaults are detailed in Section XII Prize Money and ATP/ITF Points.

D. Hospitality (+H) at M15 & M25 Tournaments

Men's ITF World Tennis Tour Tournaments offering hospitality (+H) will receive increased ITF World Tennis Ranking points in qualifying, but no additional ATP ranking points.

If requested, a player must provide a proof of identity and/or age through photo identification (passport or driver's licence) to the ITF Supervisor on site.

2. Nationality

A player's nationality for the ITF World Tennis Tour and the ITF World Tennis Ranking is determined at registration for IPIN by the Nationality on a player's passport. The ITF may request from the player at any time a copy of their current, valid passport as proof of nationality.

Players who have earned WTA points based on events on the Women's ITF World Tennis Tour, should send a copy of their passport to the WTA. Changes of nationality for players who have ever earned a WTA point shall be processed by the WTA, and upon notice to the ITF, it shall update its records accordingly (notwithstanding this Regulation).

Players wishing to make a request to add/change or update their nationality on the website should send a copy of their current passport for the nation they wish to represent to the ITF [and if necessary, the WTA].

In the event that a player does not hold a current passport for the nation they wish to represent, the player must provide:

- A copy of their current passport;
- A written explanation setting out:
 - why they are seeking to add/change or update their nationality;
 - why they do not hold a current passport for the nation they wish to represent;
 - any dates they held nationality in the nation they seek to represent, providing copies of expired passports and/or ID cards where available;
 - the nature of their ties and affiliation(s) with the nation they seek to represent including, but not limited to:
 - familial connections;
 - period(s) of time spent visiting and/or residing in that nation;
 - their commitment to life and tennis in that nation; and
 - details of any second or previous nationalities, including in relation to their tennis participation at an international level.

On receipt of the information detailed above, the request will be considered by the ITF Internal Adjudication Panel (IAP) in accordance with the Procedural Rules Governing Proceedings Before an Internal Adjudication Panel Convened Under ITF Rules, to determine, in its discretion, whether the change of nationality is genuine and not intended to circumvent the application of the Regulations (i.e. a "flag of convenience"). The IAP reserves the right to ask the Player to provide and/or supply further information on request.

The IAP's first-instance decision is capable of being appealed by the Player to the Independent Tribunal.

This Regulation applies to the Women's ITF World Tennis Tour only, and is without prejudice to any other regulations applicable to other tournaments (such as ITF Team Competitions), which may impose different criteria.

3. Age Eligibility Rules

The WTA's Age Eligibility Rule (AER) applies to all Tournaments which offer WTA ranking point. In the case of inconsistency between the WTA's AER and these Regulations, the former shall apply. Players

aged under 18 are subject to the WTA's AER and are restricted in the number and category of Wild Cards they may receive and the number and category of Tournaments they can play. Please refer to Appendix C for details.

Players are encouraged to read all of the WTA AER (Section X of the WTA Rulebook), which is available at: <https://www.wtatennis.com/wta-rules>.

Players may be requested to provide proof of their date of birth.

4. International Player Identification Number (IPIN) Membership and Tennis Integrity Protection Programme (TIPP)

In order to enter Women's ITF World Tennis Tour Tournaments all players must first register for an applicable IPIN membership (and pay the appropriate fee) and agree, as a condition of their registration, to accept the related terms and conditions and to complete the Tennis Integrity Protection Programme (TIPP). Failure by a player (a) to register for an applicable IPIN membership and to accept the related terms and conditions and (b) to complete the TIPP will render a player ineligible to enter and compete in Tournaments.

All players obtaining an IPIN and wishing to compete on the Women's ITF World Tennis Tour are responsible for ensuring they are fit to play and are advised to obtain a yearly physical examination from a certified doctor that certifies the player to compete on the Women's ITF World Tennis Tour.

A player's IPIN account will provide information about all Tournaments on the Women's ITF World Tennis Tour. This account will enable players to view the Tournament calendar and Enter and Withdraw from Tournaments. The IPIN account will also provide information about Entry and Acceptance Lists, Tournament Fact Sheet, Tournament Supervisor contact information and other relevant information about the Tournaments, including important tour announcements.

5. Tennis Anti-Corruption Program and Tennis Anti-Doping Programme

Any Player, Related Person or other Covered person who enters or participates in the ITF World Tennis Tour shall be deemed to have agreed to be bound by and to comply with all the provisions of the Tennis Anti-Corruption Program, which may be downloaded at www.itia.tennis (see Code of Conduct) Article V.

Any Player, Related Person other Covered Person who enters or participates in the ITF World Tennis Tour shall be deemed to have agreed to be bound by and to comply with all of the provisions of the Tennis Anti-Doping Programme, which may be downloaded at www.itia.tennis (see Code of Conduct) Article VII.

8. Retiring from the Professional Tournaments

A player wishing to retire from the Professional Tournaments must do so by completing and submitting an official "Player Retirement Form" to the ITF. Following successful submission, the player's name shall be removed from the WTA and/or ITF World Tennis Ranking. In the event that a player returns to competition following retirement, the player must provide at least six months' advanced notice of doing so to the ITIA Anti-Doping Department. From the date the ITIA Anti-Doping Department receives such notice, the player shall be bound by the Tennis Anti-Doping Programme and thereafter must comply with the Tennis Anti-Doping Programme, including making themselves available for Testing (including, if requested, by providing whereabouts information) for a six-month period prior to their participation.

K. Insurance

1. The Applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations and which insures against claims made for damage to property and for death/injury caused to people at the event for which the Applicant is legally liable. “ITF Ltd” and “ITF Licensing (UK) Ltd” must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.
2. The Applicant is encouraged to take out those insurance policies that safeguard against employer’s liability, business interruption and personal injury as well as any other appropriate insurance policies recognised under local law. IV. FINANCIAL

A. Payments

The sanctioning National Association and/or where applicable the Tournament Organiser shall be liable for and pay the prize money to all players participating in the Tournament in accordance with the breakdowns stated in Section XII, Prize Money and WTA/ITF Points. The Applicant shall also be

If the Applicant fails to provide such Financial Guarantee, then the ITF may cancel the Tournament without any liability to the Applicant.

C. Prize Money Payments

The Tournament Organiser shall make prize money payable in cash, check or bank transfer available to eligible players in accordance with the criteria stated below and as stated on each Tournament's Fact Sheet.

If a Tournament Organiser elects to pay the prize money via bank transfer, the Tournament Organiser and/or National Association will be liable for any bank fees associated with such transfer.

D. Tax Deductions

Any Government income tax deductions from prize money must be stated on the Tournament Fact Sheet. No taxes other than the stated income tax will be deducted from prize money.

If a player owes any fines and/or fees, then the ITF Supervisor shall authorise the Tournament Organiser to deduct fines and fees from a player's prize money. These collected fines and fees will be sent to the ITF by the National Association. Please see the Code of Conduct, Article III.E and Article IV.V.

F. Currency and Exchange Rate

Prize money shall be paid in currencies as follows:

If local currency is selected, then the exchange rate to US Dollars for a given Tournament (official ITF exchange rate) shall be the average of the six (6) months immediately preceding six (6) months prior to the Tournament. If, on the Monday, seven (7) days prior to the start of the Tournament, there is a fluctuation in the official ITF exchange rate of five percent (5%) or more, up or down, then such exchange rate shall be adjusted, up or down as follows:

Exchange Rate Fluctuation	Exchange Rate Adjustment

The entry fee can be collected in US Dollars or Euros or in local currency as stated on the Fact Sheet. All players must be charged the same entry fee.

Main Draw (Singles) or Main Draw (Singles) and Doubles	Up to US\$40 or €36
Doubles only	Up to US\$20 or €18

V. SINGLES ENTRIES AND WITHDRAWALS

All players (i.e. those with a WTA ranking, ITF World Tennis Ranking, eligible ITF Combined Junior Ranking, National Ranking, and unranked), subject only to Age Eligibility and Play Down provisions of these Regulations, may enter Women’s ITF World Tennis Tour Tournaments by the Entry Deadline and will appear on the Tournament Acceptance Lists.

Players should locate details about each Tournament, including Fact Sheet, Entry and Acceptance Lists, ITF Supervisor contact information and other relevant information about the Tournament, within their IPIN account.

Unless specified otherwise, this Section V. applies for both Main Draw and Qualifying. Players are encouraged to read the Fines Guidelines and Offence Codes for ITF World Tennis Tour events, located in the Code of Conduct, for information on the penalties imposed for Late Withdrawals.

A. Entries

All entries must be made through a player's IPIN account (ipin.itftennis.com). In exceptional circumstances, an Entry can be submitted in writing on the Official Entry Form and sent to the ITF by email, to be received before the appropriate deadline.

A player applying for Entry shall be deemed to apply for Entry into the Singles Main Draw or the Singles Qualifying depending on her ranking by the applicable System of Merit. Players with a Special Ranking may rely on that Special Ranking to Enter Tournaments provided that they select that Special Ranking during the IPIN entry process.

A player's status in a Tournament shall not be official until the Entry Deadline and publication of the Tournament Acceptance List on the ITF website and IPIN account. A player may apply for Entry into up to six (6) Women's ITF World Tennis Tour Tournaments in a specific Tournament Week, in which case she must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not apply for Entry into a Women's ITF World Tennis Tour Tournament if she is Committed to another Tournament during that period.

For entries into W75 and W100 Tournaments, a player may apply to enter the Tournament as "Main Draw Only" entrant, in which case she will not be considered for the Qualifying competition and will only be accepted into the Main Draw up until the Freeze Deadline.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept or revoke any player's Entry to any ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

B. Withdrawal Procedures

All Withdrawals must be submitted online through the player's IPIN account.

Notwithstanding Regulation V.C. below and the Code of Conduct, which may impose penalties, a Withdrawal must be submitted online through the player's IPIN account. In exceptional circumstances, the ITF will accept a Withdrawal on an Official Withdrawal Form. Players should contact the ITF prior to the relevant deadline for consideration of exception. The Withdrawal Form can be found in IPIN.

C. Entry and Withdrawal Deadline

The Entry Deadline is at 14:00 hours (GMT) on the Thursday eighteen (18) days prior to the Monday of the Tournament Week.

The Withdrawal Deadline is at 14:00 hours (GMT) on the Tuesday thirteen (13) days prior to the Monday of the Tournament Week.

In exceptional circumstances or during office holidays, the ITF may modify the deadlines, in which case players will be notified.

It is the player's responsibility to make and confirm all entries, tournament priorities and withdrawals and to check her position on the Acceptance Lists.

If a player has entered multiple events, she should remove herself from all events she no longer wishes to compete at before the Withdrawal Deadline. Failure to do so may result in penalty in accordance with Article III of the Code of Conduct.

D. At the Entry Deadline

At the Entry Deadline, players will be placed on Acceptance Lists for Singles according to the Singles System of Merit. For each Tournament a player has entered, the player will be listed in the Singles Main Draw, Singles Qualifying or as an Alternate based on the System of Merit.

A player's position on the Acceptance list may change until the Freeze Deadline. Players are required to withdraw according to the procedures detailed in the regulations above from any Tournament they are unable to play. Players should check their position on the relevant Acceptance List until the Freeze Deadline.

E. At and After the Withdrawal Deadline

1. Singles Procedure

If a player is accepted into the Main Draw or Qualifying of more than one Women's ITF World Tennis Tour Tournament or ITF World Tennis Tour Juniors Tournament starting in the same week, she will remain on one Acceptance List and will be withdrawn from the Acceptance Lists of all other Tournaments at the Withdrawal Deadline, according to the following criteria in order, until she is only on one Acceptance List:

- a) ITF World Tennis Tour Professional Tournaments take priority over ITF World Tennis Tour Junior Tournaments; then
- b) Main Draw takes priority over Qualifying, and Qualifying over Alternates; then
- c) Tournament Entry Priority

If a player's chosen priorities are unclear, she will be immediately withdrawn from all but one Acceptance List by the ITF at the Withdrawal Deadline, according to the following criteria, in order, until she is only on one Acceptance List:

- a) The Tournament offering the highest prize money will take priority, or if equal; then
- b) The Acceptance List on which she is highest placed will take priority, or if equal; then
- c) The Tournament which is geographically closest to her country of Nationality will take priority.

Exception: If a player is accepted into the Main Draw of a Junior Grand Slam tournament, that tournament will be prioritised over all other tournament entries that week (i.e. including Women's W100 tournaments or any other Junior tournament).

2. Automatic Withdrawals in Doubles after the Advance Entry Doubles Entry Deadline

At the Advance Entry Doubles Entry Deadline (six days prior to the Monday of the Tournament week, see section VI for further details), if a Player has been accepted into the Main Draw or Qualifying of a Singles Tournament and has also made an Advance Entry in Doubles for a different Tournament in the same week, then that Player and her Doubles partner will be removed from that other Tournament's Doubles Acceptance List.

3. Commitment Rule

Prior to the Singles Withdrawal Deadline a player's status on an Acceptance List is not confirmed. A player who appears on an ITF World Tennis Tour Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and is Committed to play the Tournament.

If a player withdraws her Entry from the Main Draw or Qualifying of a Women's ITF World Tennis Tour Tournament for any reason after the Withdrawal Deadline the withdrawal will be considered a Late Withdrawal and will be subject to the Late Withdrawal/No Show provisions in the ITF World Tennis Tour Code of Conduct. Each player is allowed three late withdrawals without penalty per calendar year provided a withdrawal was made online through the player's IPIN_account before the Qualifying Sign-In Deadline. The rules regarding Late Withdrawals can be found in the Code of Conduct in Article III. B.1 and B.2.

In addition to having three late withdrawals per year there are circumstances in which a player can obtain a Medical Certificate at the Tournament by seeing the Tournament Doctor or Sports Physiotherapist. These rules are detailed in the Code of Conduct in Article III. B.3 (On-site Medical Withdrawal).

There are circumstances in which a Committed player can play another event and not be penalised, and these rules are detailed in the Code of Conduct in Article III. B.4 (Playing Another Event / One Tournament Per week).

Players are encouraged to read the Fines Guidelines and Entry Offence provisions located in the Code of Conduct for information on the penalties imposed for Late Withdrawals.

Any player accepted into the Singles Main Draw, Doubles or Singles Qualifying who fails to appear for the Tournament without submitting an online withdrawal in the player's IPIN_account shall be penalised with a No-Show code violation.

If a player is not accepted into any Women's ITF World Tennis Tour Tournament in a given week, she may remain on more than one Acceptance List as an Alternate until the Freeze Deadline. A player who appears on one or more Alternate List(s) is not Committed to play in any of these Tournaments and may withdraw at any time, without penalty, until she moves into a Qualifying or Main Draw

Acceptance List, at which time she will be automatically withdrawn from all other Acceptance Lists by the ITF.

3. Alternates

A player who appears on one or more Alternate List(s) is not Committed to play in any one Tournament and may withdraw at any time, without penalty, until she first moves into a Singles Main Draw or Singles Qualifying Acceptance List (up until the Freeze Deadline), at which time she will be automatically withdrawn from all other Acceptance Lists by the ITF.

Players who are entered into multiple tournaments for a given week should withdraw themselves from those they do not wish to compete in before they move into Qualifying and become Committed to a Tournament.

Singles Alternates accepted into the Main Draw of a Doubles Acceptance list after the Doubles Entry Deadline will be removed from all Singles Alternate lists except the same Tournament where they have been accepted into Doubles (if applicable). Please see Section VI, Doubles Entries and Withdrawals, for further details.

Alternates will be removed from all but one (1) Acceptance List at the Freeze Deadline. See process below.

F. Freeze Deadline

The Freeze Deadline is at 14:00 hours (GMT) on the Thursday preceding the Tournament Week. Alternate players not yet accepted to a Main Draw or Qualifying Draw may change their priority until the Freeze Deadline. Once the Freeze Deadline has passed, players are not permitted to make any changes to their tournament order of priority.

After the Freeze Deadline has been processed, all players on the Singles Qualifying Acceptance List will no longer be moved into the Singles Main Draw and players will remain on only one Alternate List and will no longer be moved into the Singles Qualifying Acceptance List. Players will remain on one Alternate List according to their tournament chosen priority, unless the player is accepted at the Freeze Deadline into the Doubles of a tournament accepting Advance Entries. At that point the player will only remain on a Singles Alternate list if it is the same Tournament where she was accepted into Doubles. Alternates that have not been accepted into Singles and/or Doubles are not Committed to play the Tournament.

At the Freeze Deadline “Main Draw Only” entries which have not moved into a Singles Main Draw Acceptance List will be removed from all W75 and W100 Acceptance Lists. Players entered as Main Draw Only (MDO) who are not accepted into the Main Draw are not Committed to the Tournament.

Since Alternates are not Committed to any Tournament, they are able to Sign-In at a Tournament during a given week. However, if the player does not Sign-In at their top priority Tournament after the Freeze Deadline, she will be ordered as an On-Site Alternate, which means the player will be ordered after all players on the Alternates List at the Freeze Deadline.

A player who wishes to withdraw from the Singles Main Draw or Singles Qualifying after the Freeze Deadline must submit a withdrawal online-through the player’s IPIN account_or she will be subject to the penalties provided for No Show at Article II.B.1 of the Code of Conduct.

G. Playing Another Event / One Tournament Per Week

1. General

When a player is accepted into the Qualifying or Main Draw of a Tournament as Direct Acceptance, Junior Reserved, Junior Accelerator, Special Exempt or Wild Card any time after the Withdrawal Deadline, she is Committed to that Tournament unless released by the ITF or ITF Supervisor as detailed in Article III. B.3 or B.4 of the Code of Conduct.

A player who is Committed to and/or has played in the Main Draw or Qualifying of a Women's ITF World Tennis Tour Tournament may not enter or compete in any other tennis event during the period of such Tournament except as stated in Article III, B.4 in the Code of Conduct.

Players may not be accepted into a Women's ITF World Tennis Tour Tournament and an ITF World Tennis Tour Junior Tournament scheduled in the same week. Players will be withdrawn from all but one Tournament at the Withdrawal Deadline based on the withdrawal procedure described above. If a player is found after the Withdrawal Deadline to have been accepted into two Tournaments (Women's and Juniors) in one week, she will be withdrawn from one Tournament at the earliest opportunity, also according to the Withdrawal Procedure set out above.

2. Grand Slam Tournaments and Multi-Week WTA Tour Tournaments

a) Participation during Qualifying and/or First Week.

A player is allowed to play in two Professional Tournaments (one of which must be a Grand Slam Tournament or Multi-Week WTA Tournament) during this two-week period, provided the player has been eliminated from Singles and Doubles of the first Tournament prior to the Qualifying Sign-In Deadline of the second Tournament.

In the event that a player has competed in two Tournaments in the first week, then the player must withdraw from any Women's ITF World Tennis Tour Tournament in the second week following the Qualifying.

b) Participation during the Second Week

A player is allowed to play in a Women's ITF World Tennis Tour Tournament during the second week of a Grand Slam Tournament or multi-week WTA Tour Tournament provided she has been eliminated from the Singles and Doubles of that Tournament prior to the Women's ITF World Tennis Tour Tournament Qualifying Sign-In Deadline. Any such player who is still competing in the Grand Slam Tournament or multi-week WTA Tournament at this deadline must withdraw from the relevant Women's ITF World Tennis Tour Tournament.

A player is not allowed to withdraw from a Grand Slam Tournament or multi-week WTA Tour Tournament to play the Women's ITF World Tennis Tour Tournament.

H. On-Site Medical from Week 1 & Participation in Week 2

1. A player may not withdraw or retire from a Tournament in Week 1 to play in any other Tournament in Week 2 except for valid medical reasons. If a player is forced to withdraw on-site or retire from Week 1 due to medical reasons, and she is entered in a Tournament in Week 2, that player must receive a medical examination from the Tournament Doctor/Sports Physiotherapist from Week 1 and submit her medical examination to the Tournament Doctor/Sports Physiotherapist for Week 2. To be eligible to compete in Week 2 the player must receive a medical examination and clearance from the Tournament Doctor/Sports Physiotherapist.

A player is not allowed to play in Week 2 if:

- a) she has withdrawn or retired from Week 1 without cause, or
- b) she has withdrawn or retired from Week 1 for valid medical reason, but she fails to receive a medical examination for Week 2 from the Tournament Doctor/Sports Physiotherapist.

Any player who is discovered to have contravened rules (i) and (ii) above shall not receive WTA or ITF World Tennis ranking points for Week 2. The player will also be subject to a fine pursuant to the Entry Offences section of the Code of Conduct. This rule does not apply to a player whose partner in Doubles has been forced to withdraw or retire from their match.

2. A player that has endured a medical condition during the Tournament Week, but who completes their Tournament matches, may obtain a Medical Certificate from the Tournament Doctor/Sports Physiotherapist that can be used to withdraw from the following week's Tournament without penalty. The player must obtain the Medical Certificate within 24 hours of completing their final match.

If the player wishes to use the Medical Certificate to withdraw from the following week's Tournament then the player must inform the ITF and the ITF Supervisor of that next Tournament (if after the Freeze deadline) no more than 48 hours after obtaining the Medical Certificate or before the Qualifying Sign-In Deadline, whichever is sooner.

Players who complete their final match of the Tournament after the Qualifying Sign-In Deadline of the following week's Tournament must obtain a Medical Certificate and inform the ITF Supervisor before leaving the site if they wish to withdraw.

I. Wild Cards

Wild Cards are eligible players included in the draw at the sole discretion of the Tournament Organiser on approval from the host National Association. Wild Cards may be seeded. Players who receive Wild Cards must have an IPIN account.

As stated in the Code of Conduct, Article III, B.4, a player who is Committed by way of Entry or Wild Card to a Tournament may only accept the offer of a Wild Card into another Tournament in the same week, if the Player makes an official late withdrawal before the Qualifying Sign-in Deadline and the Player meets one of the two requirements below:

- i) A Player accepted into Qualifying of a Women's ITF World Tennis Tour Tournament is nominated to receive a Wild Card into the Main Draw of another Professional tournament (ITF, WTA or Grand Slam) (i.e. moving from Qualifying to Main Draw);
- ii) A Player accepted into Qualifying or Main Draw of a Women's ITF World Tennis Tour Tournament is nominated to receive a Wild Card into the Qualifying or Main Draw of another Professional tournament in a higher prize money category (ITF, WTA or Grand Slam) (example W15 to W35.)

Wild Cards for Singles must be named at the time the Qualifying or Main Draw is made and are subject to the restrictions of the WTA Age Eligibility Rule (see Appendix C.). It is the responsibility of the player to ensure they are eligible to receive a Wild Card.

Players aged under 18 are subject to the WTA AER and are restricted in the number and category of Wild Cards they may receive. Such players must check the WTA rule regarding limitations of Wild Cards. Please refer to Appendix C for details.

Players and Tournaments should retain written confirmation of the offer and acceptance of a Wild Card. Players and Tournament Organisers may not offer and/or receive any compensation for receiving or awarding a Wild Card. Acceptance of the offer of a Wild Card constitutes the Player's Commitment to the Tournament.

An entered player who is nominated to receive a Wild Card into the Tournament will continue to be eligible, up to the start of the Qualifying competition, to compete in the tournament as a Direct Acceptance or to fill any Qualifying or Main Draw vacancies that arise, in accordance with the applicable System of Merit and Sign-In procedures in Sections V, VI and VII. Any such players or Qualifying or Main Draw Wild Cards that move into the draw on merit will have their Wild Card nominations automatically withdrawn and replacement Wild Cards may be nominated up until the time the relevant draw is made.

If a player has been accepted into the Main Draw of a Tournament using her Special Ranking, she may not accept a Wild Card into the same event. However, a player accepted into the Qualifying of a Tournament using her Special Ranking may accept a Wild Card into the Main Draw up until the time of the Qualifying Sign-In Deadline.

Wild Cards who withdraw or move into the Qualifying or Main Draw on merit may not be replaced with new Wild Cards after the relevant draw is made. Any such vacancies shall be filled in accordance with Section V.L. Vacancies/Substitutions.

No player who has signed in for and been accepted into the Qualifying of the tournament may be named as a Wild Card after the Qualifying Competition has commenced.

A Tournament may not offer a Wild Card or accept the Entry from any player who has either accepted a Wild Card or been Committed by an Entry to another Tournament in the same week except as stated in Article III, B.4 of the Code of Conduct.

Please refer to Appendix C for Wild Card restrictions as applicable under the WTA AER.

Players who are not subject to the AER may receive during a calendar year a maximum number of Wild Cards as follows:

W35-W100 Tournaments

- a) Six (6) Wild Cards into Singles at W35-W100 Tournaments on the Women's ITF World Tennis Tour, with a maximum of three (3) of these allowed in the Main Draw. In addition to these Wild Cards, a player who wins one (1) or more matches at a tournament where they are allocated a Main Draw Wild Card will receive an additional Main Draw Wild Card for use in the same calendar year (a "Merited Increase"). A player can receive up to 3 Merited Increases each year at W35-W100 level (i.e. 6 Main Draw Wild Cards in total, in addition to 3 Qualifying Wild Cards). For the purposes of determining the Merited Increases, wins by retirement or default (after the match has started) count as wins, but byes and walkovers do not; and
- b) Six (6) Wild Cards into Doubles tournaments at W35-W100 of the Women's ITF World Tennis Tour.

W15 Tournaments

- a) Six (6) Wild Cards into Singles at W15 Tournaments on the Women's ITF World Tennis Tour, with a maximum of three (3) of these allowed in the Main Draw. In addition to these Wild Cards, a player who wins one (1) or more matches at a tournament where they are allocated a Main Draw Wild Card will receive an additional Main Draw Wild Card for use in the same calendar year (a "Merited Increase"). A player is able to receive up to 3 Merited Increases for Main Draw Wild Cards each year at W15 level (i.e. 6 Main Draw Wild Cards in total, in addition to 3 Qualifying Wild Cards). For the purposes of determining the Merited Increases, wins by retirement or default (after the match has started) count as wins, but byes and walkovers do not; and
- b) Six (6) Wild Cards into Doubles at W15 Tournaments on the Women's ITF World Tennis Tour

Each ITF tournament in which a player earns WTA ranking points counts towards a player's maximum number of ITF Tournaments under the Wild Card Rule. Singles Wild Cards are counted separately from Doubles Wild Cards, except for players under WTA Age Eligibility Rules. However, participation in a Tournament in which a player does not earn ranking points does not count as a tournament played under this Wild Card rule.

It is the player's responsibility not to accept Wild Cards above the stated limit. Players will forfeit any ranking points and prize money earned at Women's ITF World Tennis Tour Tournaments if they accept a Wild Card(s) above the stated limit.

J. Special Exempt (SE)

1. Eligibility

Special Exempt places are determined based on the criteria set out below. Players competing in Singles can apply for a Special Exempt position for the following Tournament Week, which are defined as Overlapping and Non-Overlapping tournaments.

a) Overlapping Tournaments

An Overlapping Tournament is defined as a tournament in one week ("Week 1") where matches are played on overlapping days with a tournament being held in the following week ("Week 2") (either because of the standard schedule or because of weather). A player is eligible to apply for a Special Exempt into the Singles Main Draw of a tournament in Week 2 if that player is still competing in the Singles competition of a Qualified Tournament in Week 1 and has met the criteria listed below at i), ii), and iii).

b) Non-Overlapping Tournaments

A Non-Overlapping Tournament is defined as a tournament in Week 1 which is completed by at least the day before the Qualifying event is scheduled to start in Week 2. A player is eligible to apply for a Special Exempt into the Singles Main Draw of a tournament in Week 2 if that player has participated in the Singles final of a Qualified Tournament in Week 1 and has met the criteria listed below at i), ii), and iii).

The criteria for Special Exempt places are:

- i) The player is entered in a Tournament in "Week 2" and is currently listed on the Qualifying Acceptance List (not the Alternates List) for that Tournament;

- iii) The request for Special Exempt must be made prior to the Qualifying Sign-In Deadline (18:00 hours local time) the day before the scheduled start of the Qualifying competition) of the "Week 2" Tournament. Players still playing in Singles in the Week 1 tournament at the time of the Qualifying Sign-In Deadline of Week 2, must reconfirm if they are playing the following day as soon as their match(es) are completed, and if potentially eligible for a Special Exempt position such position shall be held open until such confirmation has been received.

Special Exempt status shall not be available for players who request such an exempt as a result of competing in the Doubles event of a Week 1 Tournament.

The player must confirm with the ITF Supervisor of the Week 2 Tournament that the Supervisor has received their request prior to the deadline, in accordance with Section V.L. Vacancies/Substitutions below.

2. Qualified Tournament for Special Exempt

- a) For W15-W35 Tournaments: the Singles event of any Women's ITF World Tennis Tour or any WTA Tournament within the same region in the preceding week;

A player requesting a Special Exempt as a result of performance in a W15-W100 or WTA Tournament shall be ordered and accepted according to the ranking from Monday seven (7) days before the Tournament Week (including a player's Special Ranking, if used to enter the Tournament). The players requesting a Special Exempt shall be ordered and accepted according to their ranking from Monday seven (7) days before the Tournament Week (including a player's Special Ranking, if used to enter the Tournament). WTA Singles Ranking will take precedence, followed by ITF World Tennis Singles Ranking.

e) Special Exempt procedures for all Tournaments

Unsuccessful applicants will not be penalised under the Late Withdrawal / No Show provisions of the Code of Conduct.

If prior to the Qualifying Sign-In Deadline there are no requests for the use of a Special Exempt position, such places shall become places for Direct Acceptance.

If prior to the Entry Deadline it is established that there will be no Special Exempt places into a Women's ITF World Tennis Tour Tournament, because there are no "Qualified Tournaments" in the week preceding the Tournament, then the places reserved in the Main Draw for Special Exempts shall become places for Direct Acceptances and will be indicated as such on the Acceptance List.

K. Sign-In

1. Main Draw

Players accepted into the Singles Main Draw are not required to Sign-In with the ITF Supervisor. Players must be on-site and available to play their first-round match as scheduled. Each Player must provide a contact telephone number so the ITF Supervisor may contact the Player during the Tournament.

2. Qualifying

a) General

The Qualifying Sign-In Deadline is at 18:00 hours local time at the site of the Singles Qualifying event on the day before the scheduled start of the Qualifying event unless specified otherwise on the published Fact Sheet.

Players accepted into the Singles Qualifying Draw are not required to Sign-In with the ITF Supervisor. Players must be on-site and available to play their first-round match as scheduled.

Wild Cards do not have to Sign-In with the ITF Supervisor.

Players who appear on the Alternates list at the Freeze Deadline and wish to take part in the Tournament must Sign-In at the Qualifying Sign-In Deadline

In exceptional circumstances the ITF may extend the Qualifying Sign-In Deadline for all players in advance, in which case players will be notified. The Qualifying Sign-In Deadline will not be extended for individual players in any circumstances.

The ITF Supervisor/Referee of a Professional Tournament, ITF Sanctioned Tournament, ITF Team Competition or a national competition (if requested by the relevant National Association and approved by the ITF at least two (2) weeks in advance) in the preceding week may Sign-In any player who has competed on the last two days preceding the scheduled start of the Qualifying competition.

Each player must provide a contact telephone number so the ITF Supervisor may contact the player during the Tournament.

Sign-In Procedure

Entered Alternate players (who wish to compete), must Sign-In by contacting the on-site ITF Supervisor, either in person or by telephone. Entered Alternates that do not Sign-In either in person or by telephone will not be considered for inclusion in the draw.

On-Site Alternates may also Sign-In by a telephone conversation with the ITF Supervisor. On-Site Alternates that want to Sign-In either in person or by telephone must send an email to the Supervisor and then call the Supervisor and confirm they have been signed in before the Sign-In Deadline. Players who only email the Supervisor and do not communicate with the Supervisor by phone will not be accepted as an official Sign-In.

Sign-In is only completed when a player has signed in or been in contact with the ITF Supervisor. Paying an entry fee or collecting accreditation, for example, are separate from the official Sign-In procedure.

In all circumstances of telephone Sign-In, the player must be able to be onsite and play her first-round match as scheduled.

b) Preserving Eligibility

Players in the Singles Qualifying (except Alternates) as determined at the Freeze Deadline can preserve their eligibility for unused Special Exempt places or Singles Main Draw vacancies (following withdrawals after the Freeze Deadline) by personally contacting the ITF Supervisor onsite prior to the Qualifying Sign-In Deadline.

If the Special Exempt places are used or there are no Main Draw vacancies, the players that Preserved Eligibility are not eligible to play the Qualifying and are subject to the provisions set forth in Article III. B.1 or B.2, Late Withdrawal/ No Show of the Code of Conduct.

If unused Special Exempts place(s) or Main Draw vacancies are not so preserved, such places shall be filled in accordance with the section V.L. Vacancies/Substitutions below.

c) Signing into Multiple Tournaments the same week

Alternates and On-Site Alternates may Sign-In (in person) for the Qualifying of a second Tournament during the same week provided:

 - ii) the player was not accepted into the Qualifying draw of the first Tournament.
- d) Playing in Week 1 event and Sign-In for Week 2's Event

Players who cannot appear for the Singles Qualifying Sign-In at an ITF World Tennis Tour Tournament because they are still competing in a previous week's related Women's ITF World Tennis Tour Tournament may be signed in for the Singles Qualifying and may be permitted to compete in both events subject to the approval of both ITF Supervisors and provided it does not unfairly disrupt the Singles Qualifying schedule.

L. Vacancies/Substitutions

Vacancies shall be filled with substitutes in accordance with the following:

1. From the Withdrawal Deadline until the Freeze Deadline:

Direct Acceptance vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with the applicable System of Merit. A player not accepted into the Main Draw or Qualifying will appear on the Tournament's Alternates List.

In W15 Tournaments, vacancies in the Junior Reserved places will be filled by the next eligible entered player on the Junior Reserved Alternate List. If no players are eligible for the Junior Reserved place, the place will be reverted to a Direct Acceptance place and filled in accordance with the applicable System of Merit.

2. From the Freeze Deadline until the Qualifying Sign-In Deadline:

a) W15 Tournaments

Following the Freeze Deadline, the Junior Reserved Alternate List will no longer be used to fill vacancies for Junior Reserved withdrawals. The Alternates List, which already includes those players on the Junior Reserved Alternate List, will be the only list used to replace any vacancies.

b) All W35, W50, W75 and W100 Tournaments

All vacancies in the Qualifying or Main Draw shall be filled, at the time of the Qualifying Sign-In Deadline, by players who have signed in for the Qualifying event as detailed below.

3. At the Qualifying Sign-In Deadline:

Vacancies in the Main Draw Acceptance list (created by Late Withdrawals, unused Special Exempt positions, and Main Draw Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by players who appear on the Qualifying Draw Acceptance list or have Preserved Eligibility for Main Draw by contacting the ITF Supervisor (see Rule K.2.B. above) and shall be selected in accordance with the Section V.L. Vacancies/Substitutions and in accordance with the applicable Singles System of Merit.

Vacancies in the Qualifying Acceptance List (created by Late Withdrawals, players being moved to the Main Draw as above or Qualifying Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by players who have Signed-In for the Qualifying event in accordance with the applicable Singles System of Merit.

4. From the Qualifying Sign-In Deadline until the Order of Play is released. From the time the Order of Play is released until the Commencement of the Qualifying Competition:

Any Special Exempt places held for extenuating circumstances (e.g. Tournaments delayed due to weather) or vacancies in the Qualifying or Main Draw shall be filled by players who have signed in for the Qualifying event, selected in accordance with the applicable System of Merit until the Order of Play is released. From this point until the Commencement of the Qualifying Competition any vacancy in the Qualifying will be filled by players who have signed-in for the Alternates List on the following day. The Qualifying competition commences when the first ball of the first Qualifying match is struck.

5. After Commencement of the Qualifying Competition:

- a) Vacancies in the Qualifying shall be filled by players who have signed the Alternate List selected in accordance with the applicable System of Merit.

If there is no Qualifying, vacancies in the Main Draw shall be filled by players on the Alternate List, selected according to the System of Merit.

- b) Vacancies in the Singles Main Draw shall not be filled until the completion of the Singles Qualifying and shall only be filled by Lucky Losers. The Lucky Losers shall be ordered and selected as follows:
- i) Players who have reached the final Qualifying round of the Qualifying competition; then
 - ii) Players with a WTA Ranking shall be randomly drawn; then
 - iii) Players with an ITF World Tennis Tour Ranking shall be randomly drawn; then
 - iv) The order of Nationally Ranked and unranked players shall be randomly drawn.

If players from previous rounds are needed to fill the draw or desire to Sign-In as a Lucky Losers, they will be placed after all players who have lost in the final round of Qualifying and ordered as described above.

Special Rankings shall not be used to order players for Lucky Loser positions.

If a player is forced to retire from her final round of Qualifying due to illness or injury, the player will retain her Lucky Loser status provided she receives medical clearance from the Tournament Doctor/Sports Physiotherapist.

6. After the Completion of the Qualifying Competition:

If after the completion of the qualifying competition there are vacancies in the Main Draw, the ITF Supervisor will fill the Main Draw with all of the Qualifiers and, if necessary, Lucky Losers in order that they were drawn. It shall be assumed all players who lost in the last round of Qualifying will want to take a position in the Main Draw. Therefore, it is the player's responsibility to inform the ITF

Supervisor at the end of their match if they do not want to be considered for the Lucky Loser position.

M. Sign-In Requirements for Substitutes

1. Alternates and Lucky Losers (Singles and Doubles) have the option of signing in each day before the start of play for an opportunity to compete in any eligible open position in the draw. Players wishing to Sign-In for an opportunity must be present and Sign-In 30 minutes prior to the scheduled start of play with the ITF Supervisor. Players may also Sign-In by a telephone conversation with the ITF Supervisor. Alternates and Lucky Losers that want to Sign-In by telephone must send an email to the Supervisor and then call the Supervisor and confirm she has been signed in before the Sign-In Deadline. Players who only email the Supervisor and do not communicate with the Supervisor by phone will not be accepted as an official Sign-In. Eligible players must sign and re-sign the appropriate list each day before the start of play.

When the last round of Qualifying and the first round of Main Draw are played on the same day, Lucky Losers must Sign-In no later than 30 minutes after the completion of the last Qualifying match. Players can find the Sign-In Deadline on the Order of Play. It is the player's responsibility to contact the ITF Supervisor with any questions about the time and location of the Sign-In Deadline.

2. Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of fifteen (15) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

3. If an Alternate or Lucky Loser is accepted into the draw, but when called is not available to play, she forfeits her place and the next Alternate or Lucky Loser will be called immediately to take the open position. Once an Alternate or Lucky Loser forfeits, she is no longer eligible for Alternate or Lucky Loser status for that event on that day. If a player does not sign up for Alternate or Lucky Loser status one day, she may still sign up on the next day.

N. Administrative Error on Acceptance Lists

If an administrative error is made on an Acceptance List resulting either in a player not being included or too many players being accepted into the Tournament, the Acceptance List will be corrected at the earliest opportunity in accordance with the System of Merit.

If a player's National Ranking is not considered for ordering a player on the Acceptance List because the data provided by the National Association did not match the ITF's data then a correction to any published Acceptance List will be at the discretion of the ITF. All future Entry Lists will be corrected once the revised information has been sent by the National Association.

If due to an administrative error too many players arrive on-site and Sign-In to play the Tournament, the following procedures will be followed: the last two (2) players accepted into the Tournament based upon the most current updated Acceptance List (excluding Wild Cards and Qualifiers) will play a preliminary match for one (1) position in the draw.

All preliminary matches for singles will be played as best of three sets with two (2) tie-break sets, and if the score reaches one set all, one match tie-break game (10 points) shall be played to decide the match, and for doubles as best of three sets with two (2) tie-break sets, and if the score reaches

one set all, one match tie-break game (10 points) shall be played to decide the match. No-ad scoring must be used.

W15 and W35 Tournaments

The loser of the preliminary match will receive no WTA and/or ITF World Tennis Ranking points but will receive 1st round prize money. Prize money payment to the loser of the preliminary match will be paid by the ITF. A player who wins the preliminary match but then loses in the 1st round will receive 1st round prize money plus 25% of 2nd round prize money and 35% of 2nd round WTA and/or ITF World Tennis Ranking points.

In the event that the administrative error takes place on-site, it is the responsibility of the ITF Supervisor to inform the ITF Women's department of this administrative error.

W50, W75 and W100 Tournaments

The loser of the preliminary match will receive 1st round WTA ranking points and 1st round prize money. Prize money payment to the loser of the preliminary match will be paid by the ITF. A player who wins the preliminary match but then loses in the 1st round will receive 1st round prize money plus 25% of 2nd round prize money and 35% of 2nd round WTA ranking points.

The ITF will advise the Director of the MIS Department at the WTA Florida office immediately following the discovery of any such administrative error.

In the event that the administrative error takes place on-site, it is the responsibility of the ITF Supervisor to inform the ITF Women's department of this administrative error.

O. Late Cancellations

In the event that a Tournament is cancelled late, players who had entered that Tournament may, at the ITF's discretion, be placed as "next in" on the Main Draw or Qualifying Acceptance List, as appropriate, of another Tournament taking place in the same week.

VI. DOUBLES ENTRIES AND WITHDRAWALS

Tournaments offering between W35 and W100 in prize money will accept up to seven (7) Doubles teams by Advance Entry with the remaining Doubles teams selected by the existing onsite procedure. Tournaments offering W15 in prize money will not offer Advance Entry and will retain the onsite procedure for all Doubles entries.

A. Advance Entry at W35-W100 Tournaments

Advance Entry is available at W35, W50, W75 and W100 Tournaments (including +H Tournaments).

Advance Entries are only accepted from players with a WTA Doubles ranking, subject only to Age Eligibility and Play Down provisions of these Regulations.

1. Entry and Withdrawal Procedures

Players may make only one advance entry in a Doubles tournament each week and this must be submitted online through a player's IPIN account. During the IPIN entry process, one member of the Doubles team must propose the partnership to the second member. The second member must confirm their acceptance of the Doubles entry in IPIN prior to the Advance Entry Doubles Entry Deadline ("Doubles Entry Deadline"). Any partnership not confirmed by this time will be removed from the Entry list. It is the players' responsibility to make all entries and withdrawals and to check her / the team's position on the Doubles Acceptance Lists.

Players can add or change Doubles entries up until the Doubles Entry Deadline, but in all cases the entry must be confirmed prior to the deadline.

Withdrawals must be submitted online through the player's IPIN account. In exceptional circumstances, the ITF will accept a Withdrawal on an Official Withdrawal Form. Players should contact the ITF prior to the relevant deadline for consideration of an exception. The Withdrawal Form can be found on the ITF website and in IPIN.

The Entry, Withdrawal and Freeze Deadlines for Doubles are detailed below. In exceptional circumstances or during UK office holidays, the ITF may modify the deadlines, in which case players will be notified.

2. Doubles Entry Deadline

The Doubles Entry Deadline is at 14:00 hours (GMT) on Tuesday, 6 days prior to the Tournament. In the event of any technical issues that prevent the ITF from processing the Doubles Entry Deadline 6 days prior to the tournament, then Doubles Entry Deadline in that week will revert to On-Site entry.

At the Doubles Entry Deadline, Doubles teams will be ordered on a Doubles Acceptance List according to the applicable Doubles System of Merit. The first seven (7) accepted teams will be listed in the Main Draw. Additional teams will be listed as Alternates.

Doubles teams are not Committed to the Tournament until the Doubles Withdrawal/Freeze deadline.

Entered Teams where one or both members of the team do not have a WTA Doubles ranking will be removed at the Doubles Entry Deadline.

A player's Singles entries may affect their Doubles entry at the Doubles Entry Deadline.

- a) A player who is entered or accepted into the Main Draw or Qualifying of Singles of a Women's ITF World Tennis Tour Tournament at the Singles Withdrawal Deadline may only enter Doubles at the same Tournament. If the player subsequently withdraws from the Women's ITF World Tennis Tour Tournament she may enter the Doubles at a different event in advance of the Doubles Advanced Entry Deadline. If the player has entered the Doubles of another Women's ITF World Tennis Tour Tournament, her Doubles entry (and that of her partner) will be withdrawn at the Doubles Entry Deadline.
- b) Players accepted into the Main Draw or Qualifying of Singles at an ITF World Tennis Tour Juniors Tournament after the Singles Withdrawal Deadline may not make an Advanced Entry for Doubles. If the player has entered the Doubles of a Women's ITF World Tennis Tour

Tournament, her Doubles entry (and that of her partner) will be withdrawn at the Doubles Entry Deadline.

- c) Players accepted into one of the seven (7) Main Draw Doubles positions, and who are also Singles Alternates at other ITF World Tennis Tour Tournaments in the same week, will be removed from all Singles Alternates lists except (if applicable) the same Tournament where the player was accepted into Doubles.

3. Between the Doubles Entry Deadline and the Doubles Withdrawal/Freeze Deadline.

- a) A Doubles team's position on the Acceptance List may change until the Freeze Deadline. Players that are listed as Doubles Alternates can move into the Doubles Main Draw positions until the Withdrawal/Freeze Deadline, based on the withdrawals of teams above them.
- b) Players who are included on the Doubles Alternates List and do not wish to play a Tournament for a given week should withdraw themselves from that Tournament before the team moves into the Doubles Main Draw, because players who are also Singles Alternates in the same week may find their Singles entries amended due to moving into a Doubles Main Draw position.

4. At and After the Doubles Withdrawal/Freeze Deadline

The Withdrawal and Freeze Deadlines for Doubles take place at the same time, 14:00 hours (GMT) on the Thursday four (4) days before the Monday of the Tournament Week. This is the same time as the Singles Freeze Deadline.

a) Procedure

- 1) At the Doubles Withdrawal/Freeze Deadline, Doubles Teams in Main Draw positions are Committed to the Tournament.
- 2) At the Freeze Deadline, the Advance Entry Doubles Alternate List will no longer be used and will be removed.
- 3) Teams listed as Alternates at the Doubles Freeze Deadline are not Committed to the Tournament. Any such teams will need to Sign In as an On-Site Entry if they wish to play. Advance Entry Doubles Alternate teams have no priority over other teams which Sign-In On-Site. Members of an Alternate Doubles team may Sign-In On-Site with the same or a different partner.
- 4) All vacancies and remaining positions in the Draw will be filled by the applicable On-Site Entry procedure.
- 5) A Doubles withdrawal made after the Freeze Deadline must be submitted online through the player's IPIN account or she will be subject to sanction pursuant to the Code of Conduct, Article III.B.

b) Commitment Rule

Prior to the Doubles Withdrawal/Freeze Deadline a Doubles team's status on an Acceptance List is not confirmed. A Doubles team which appears on an ITF World Tennis Tour Doubles Main Draw Acceptance List at any time after the Doubles Withdrawal/Freeze Deadline is deemed to have been accepted into and is Committed to play the Tournament.

Players are required to withdraw according to the procedures detailed in the regulations above from any tournament they are unable to play and the players should check their Tournament status on the Acceptance List until the Freeze Deadline.

If one player of the Doubles team withdraws her Entry from the Doubles Main Draw of a Women's ITF World Tennis Tour Tournament for any reason after the Withdrawal Deadline, the withdrawal will be considered a Late Withdrawal and will be subject to the Late Withdrawal/No Show provisions at Article III.B of the Code of Conduct.

Any player accepted into Main Draw Doubles but that fails to appear for the Tournament without notifying the ITF and ITF Supervisor (if after the Freeze Deadline) of her withdrawal shall be subject to sanction pursuant to the Code of Conduct, Article III.B.

The player responsible for the Withdrawal of her team after the Withdrawal/Freeze Deadline will be subject to Article III.B.1. (Late Withdrawals) or B.2 (No Show) of the Code of Conduct unless Article III.B.3 or B.4 applies:

- B.3 On-site Medical Withdrawal: There are circumstances in which a player may validly withdraw from a Tournament provided that player obtains a Medical Certificate at the Tournament by seeing the Tournament Doctor or Sports Physiotherapist.
- B.4 (Playing Another Event / One Tournament Per week): There are circumstances in which a Committed player may validly withdraw from a Tournament in order to play another event and not be penalised.

The player responsible for the Withdrawal of an Advance Entry Doubles team after the Doubles Withdrawal/Freeze Deadline may not compete in Doubles during the same Tournament Week in which they have withdrawn. However, the withdrawing player's partner may find a new partner and Sign-In On-site for Doubles at the same or another ITF tournament.

If, in the opinion of the ITF Supervisor or ITF (as applicable) both players are responsible for Withdrawal after the Withdrawal/Freeze Deadline, both players shall be subject to sanction under the Code of Conduct, Article III.B and neither player will be allowed to compete in Doubles during the Tournament Week.

Each player is allowed three Doubles late withdrawals without penalty per calendar year provided the Withdrawal is made in accordance with the procedure set out at Section VI.A(1) above.

Players are encouraged to read the Fines Guidelines and Entry Offence provisions located in the Code of Conduct for information on the penalties imposed for Late Withdrawals/No Shows.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse or revoke any player's Entry to any Women's ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

B. On-Site Entry and Withdrawal Deadline - Doubles

Subject to the Age Eligibility and Play Down provisions of these Regulations, all players (i.e. those with a WTA ranking, ITF World Tennis Ranking, eligible ITF Combined Junior Ranking, National

Ranking, and unranked), may enter Women's ITF World Tennis Tour Tournaments by the On-Site Entry Deadline.

At W35-W100 Tournaments, at least six (6) teams are selected according to the On-Site procedure. More teams may be selected depending on the number of Advance Entry teams, see section A above.

At W15 tournaments, all Doubles teams (with the exception of Wild Card teams) are selected according to the On-Site procedure.

The On-Site Entry and Withdrawal Deadline for Doubles, also known as the Sign-in Deadline, is at 14:00 hours local time on the day before the Doubles Main Draw event is scheduled to commence. Players shall be responsible for their own Sign-In and should check the Fact Sheet for Sign-In date and location.

All Doubles team Entries and Withdrawals must be received by the ITF Supervisor by the Sign-In Deadline.

Advance Entry Doubles teams on the Acceptance List after the Freeze Deadline do not need to Sign-In but must be ready to play as scheduled.

The Supervisor shall post the Doubles Sign-In sheet at a reasonable time prior to the announced Sign-In Deadline. One member of a Doubles team may complete On-Site Sign-in on behalf of the team. The ITF Supervisor reserves the right to accept timely telephone entries. In addition, a player may email the ITF Supervisor to Sign-In for Doubles (email Sign-In will not be processed if sent to the Tournament Director). Players who fail to Sign-In shall not be included in the Doubles draw.

On-Site Acceptances for Doubles shall be based on the applicable Doubles System of Merit.

A player that wants to use their WTA Special Ranking to Sign-In On-Site for Doubles must notify the ITF Supervisor prior to the Sign-In Deadline.

The player responsible for the Withdrawal of an Advance Entry Doubles team after the Doubles Withdrawal/Freeze Deadline may not compete in Doubles during the same Tournament Week in which they have withdrawn. However, the withdrawing player's partner may find a new partner and Sign-In On-site for Doubles at the same or another ITF tournament.

If, in the opinion of the ITF Supervisor or ITF (as applicable) both players are responsible for Withdrawal after the Withdrawal/Freeze Deadline, both players shall be subject to sanction under the Code of Conduct, Article III.B and neither player will be allowed to compete in Doubles during the Tournament Week.

Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse or revoke any player's Entry to any Women's ITF World Tennis Tour Tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

C. Substitution of Doubles Teams

If a player or a team withdraws after the On-Site Entry/Withdrawal/Sign-in Deadline for Doubles, Alternates shall be selected according to the applicable Doubles System of Merit.

The Sign-In for Doubles Alternates shall follow the same principles as the Sign-In for Singles Alternates (Section V.M. Sign-In Requirements for Substitutes). One member of a team may Sign-In for the team.

D. Wild Cards

Wild Cards are Doubles teams included in the Doubles draw at the sole discretion of the Tournament Organiser on approval from the host National Association. Wild Cards may be seeded, in accordance with the seeding procedure in section VIII.B. Wild Cards must be named at the time the draw is made. Wild Cards who withdraw cannot be replaced with new Wild Cards after the appropriate draw is made.

Players and Tournaments may not offer and/or receive any compensation for receiving or awarding a Wild Card. Acceptance of the offer of a Wild Card constitutes a player's commitment to the Tournament.

A Tournament may not offer a Wild Card or accept the Entry from any team who has either accepted a Wild Card or been Committed by an Entry to another Tournament in the same week except as stated in Article III, B.4 of the Code of Conduct.

A player who is Committed by way of Entry or Wild Card to a Tournament may only accept the offer of a Wild Card into another Tournament in the same week as permitted in Article III, B.4 of the Code of Conduct.

VII. SYSTEMS OF MERIT

Players who wish to enter a Tournament with a WTA Special Ranking must contact the WTA at least one week prior to the Entry Deadline. When two or more players are tied, the actual ranking supersedes the Special Ranking for acceptance purposes.

The following Singles selection procedure shall be used, subject to Section V.L.

Vacancies/Substitutions, as the basis for acceptances as follows:

- i) Methods A to C are followed in order to create the Acceptance List and thereafter identify Direct Acceptances, up to the Freeze Deadline. At and after the Qualifying Sign-In Deadline, vacancies will be filled from the Alternates List, provided the player has Signed-In;
- ii) Method D is followed to identify Junior Reserved Places and Junior Reserved Alternates, up to the Freeze Deadline;
- iii) Methods E to G are followed after the Qualifying Sign-In Deadline in order to fill any remaining vacancies in the Tournament, after the Acceptance List is exhausted.

A. Singles System of Merit at W15 Tournaments

1. Method A – Direct Acceptance

Entered players with an approved WTA Singles Ranking, including a Special Ranking, shall be selected in accordance with their positions on the approved WTA Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week.

2. Method B – Direct Acceptance

Entered players with an approved ITF World Tennis Singles Ranking shall be selected in accordance with their positions on the approved ITF World Tennis Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week.

3. Method C – Direct Acceptance

Entered players without an approved WTA Singles Ranking and without an ITF World Tennis Singles Ranking but with a current Top 500 National Ranking will be drawn by computer at the ITF Office at the Entry Deadline as follows:

- i) Players will be sorted into groups of the same nationalities and ranked within those groups according to National Ranking. Ties between players within those groups will be randomly drawn;
- ii) Each country with a player represented will be allocated a draw chip. Each time a chip is drawn the highest ranked player from the country represented by that chip shall be selected and ordered on the Acceptance List until all the national ranked players are ordered. A country's chip shall go back into the draw until there are no more players in their group; then
- iii) All remaining entered players who are unranked and have no National Ranking shall be randomly drawn by computer at the ITF Office for a position on the Acceptance List.

Players who are listed as Alternates after the Freeze Deadline will have priority for acceptance over On-Site Alternates.

4. Method D – Junior Reserved

Entered players with an approved ITF Combined Junior Ranking of 1-100 shall be selected for a maximum of three (3) Main Draw places. A Top 100 ITF Combined Junior Ranking can be achieved in 2 ways:

- i) Current ITF Combined Junior ranking
In accordance with the player's position on the approved ITF Combined Junior Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week;
- ii) "Carry-over" ITF Junior ranking
In addition, players born in 2005 may carry over their 11 December 2023 ITF Combined Junior ranking for the purposes of entering W15 Tournaments until the week in which they turn 19 years of age. The Monday of each week determines the player's age for that week. Thus, a player who is 18 on Monday but turns 19 on Tuesday would be eligible to use their

ITF Combined Junior Ranking for that week but would no longer be able to use their ITF Combined Junior Ranking the following week. If two players share the same ranking (one with a current ranking, the other with a carry-over ranking), then the player with the current ITF Ranking will be ordered before the player holding the carry-over ranking on the System of Merit.

Method D Junior Reserved Places are only available for players who cannot otherwise be accepted into the Main Draw on the basis of their WTA Singles Ranking or their ITF World Tennis Singles Ranking (or National Ranking). A player must also have turned 14 years of age in order to be accepted into a W15 Tournament.

Junior players ranked outside the ITF Combined Junior Ranking Top 100 on the Entry Deadline are not eligible for a Junior Reserved Main Draw place.

After the Entry Deadline, Any Junior Reserved places that become available through a Withdrawal will be filled by a player on the Junior Reserved Alternate List until the Freeze Deadline. Unfilled Junior Reserved places will be reallocated to Direct Acceptance Methods A, B and C in that order.

IX. PLAYERS' REST

A. Between Tournaments

X. ORDER OF PLAY AND SUBMISSION OF RESULTS

A. Scheduling and Order of Play

1. Release of the Order of Play

Once the Supervisor determines the following day's Order of Play, it shall be released by the Supervisor, both on-site and via the ITF Tournament Planner program, and where possible no later than 22:00 hours local time. Players are expected to check the official Order of Play, which is also available from the Supervisor. It is the responsibility of all players to ascertain their playing schedules from the ITF Supervisor/Referee for each day's play. The Order of Play will detail the Sign-in deadline times for Alternates and Lucky Losers.

Players should be aware that the last match on any court may be moved to a different court or re-scheduled.

2. Amendments to the Order of Play

Once officially released, the Order of Play shall not be amended unless the Supervisor deems it necessary and/or appropriate. When the schedule is amended because of inclement weather, the supervisor should post the revised schedule. It is the responsibility of all players to ascertain their playing schedules from the ITF Supervisor/Referee for the revised Order of Play.

3. Failure to complete Tournament

If a Tournament cannot be completed within the Tournament Week because of bad weather, at the option of the Tournament one extra day shall be allowed. No further extension of the Tournament shall be permitted without the approval of the ITF.

XI. DATA RIGHTS

B. Uncompleted Matches

If the Singles or Doubles event of a Tournament is cancelled, e.g. due to poor weather, and there has been no play, first round prize money will be paid out to the players. APPENDIX E

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (*as defined in the ITF Guide to Recommended Healthcare Standards*) during the warm-up or the match.

Treatable Medical Conditions

- i. Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- ii Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

Non-Treatable Medical Conditions

- i. Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- ii. Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
- iii. General player fatigue.
- iv. Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.
- v. Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor and may be performed off-court.

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at professional tournaments with prize money of W35 or less, the ITF Supervisor may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Supervisor or Chair Umpire for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalised by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF Supervisor or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that they are unable to compete, or they pose a serious health risk to players, officials or Tournament Organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire shall immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Tournament Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the

player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor/Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such a report from the Tournament Doctor, the ITF Supervisor will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The Supervisor shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor accordingly. At the discretion of the ITF Supervisor, the player may subsequently compete in another event at the same tournament (e.g. Doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

TOILET/CHANGE OF ATTIRE BREAKS

Any reference in this section to "Change of Attire Break" is applicable to the Women's ITF World Tennis Tour only.

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break. Toilet breaks should be taken on a set break and can be used for no other purpose. Change of attire breaks must be taken on a set break.

In Men's Singles events a player is entitled to one (1) toilet break during a best of three (3) set match. In Women's Singles events, a player is entitled to one (1) break during a match.

In Men's Doubles matches, each team is entitled to a total of one (1) break. If partners leave the court together, it counts as one (1) of the team's authorised breaks.

In Women's Doubles matches, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one (1) of the team's authorised breaks.

Any time a player leaves the court for a toilet break/change of attire break, it is considered one (1) of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one (1) of the authorised breaks.

Additional breaks will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

EXTREME WEATHER CONDITIONS

- a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Heat Condition: Modification of Play criterion is defined as when the Web-Bulb Globe Temperature (WBGT) on court meets or exceeds 30.1°C (86.2°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the ITF Supervisor or his/her designee. Ideally, measurements should be taken every 2 hours, but a minimum three (3) readings should be taken at the following times:

1. 30 minutes before match play begins;
2. Middle of the scheduled day's play; and
3. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index should also be measured under the following circumstances:

1. Following any suspension of play; and
2. At the discretion of the ITF Supervisor, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition: Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the ITF Supervisor has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles and Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 tie-break sets match only) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 sets match), the 10-minute break will no longer be available, unless otherwise decided by the ITF Supervisor.

The ITF Supervisor, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

- i. During the 10-minute break:
 - a. No coaching is allowed.
 - b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the ITF Supervisor. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.
- ii. Immediately following the 10-minute break:
 - a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).
 - b. No re-warm up is allowed.
 - c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the ITF Supervisor.

iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the ITF Supervisor should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the ITF Supervisor has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

f. Lightning

The ITF Supervisor or his/her designee is responsible for monitoring the local weather for lightning. The ITF Supervisor has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

Association's Own Tournaments for use in connection with the provision of betting and gaming services.

Each National Association shall retain the right to produce and/or appoint a third party to access its Own Tournaments in order to produce Coverage thereof. Where ITF has concluded any Media Rights arrangement in respect of a Cross Border Group (which will include without limitation any such arrangement for Live Streaming for betting and gaming purposes), and provided that a National Association is producing Coverage to exploit Media Rights in respect of any of its Own Tournaments, the respective National Association shall ensure that the producer of the Coverage, whether a broadcaster, production company or other entity, makes the Coverage available to ITF and/or ITF's licensees, as a Live Signal (if available) at the venue of the relevant Tournament(s) (or other agreed point) and use reasonable efforts to procure that access to the Live Signal is free of charge, subject to payment for transmission of the production feed (uplink and downlink) and/or in the form of tape delay subject to payment of reasonable tape costs.

If a National Association is not producing and has not appointed a third party to produce Coverage in respect of any of its Own Tournaments where ITF has concluded a Media Rights arrangement in respect of such Tournament as part of a Cross Border Group (which will include without limitation any such arrangement for Live Streaming for betting and gaming purposes), ITF shall be responsible for producing and/or appointing a third party to access the relevant Tournaments in order to produce Coverage to the extent required for any Media Rights arrangement in respect of such Cross Border Group. In such case, the relevant National Association shall procure reasonable access to the Tournament venues and existing facilities (e.g. parking) for ITF's broadcaster, production company or other entity free of charge save for reimbursement of reasonable, directly attributable and incremental costs incurred by the relevant National Association and any of its Own Tournaments. ITF shall ensure that the producer of the Coverage, whether a broadcaster, production company or other entity, makes the Coverage available to the relevant National Association, as a Live Signal (if available) at the venue of the relevant Tournament(s) (or other agreed point) and use reasonable efforts to procure that access to the Live Signal is free of charge, subject to payment for transmission of the production feed (uplink and downlink) and/or in the form of tape delay subject to payment of reasonable tape costs.

In the case of any Media Rights exploited by the ITF 20 per cent of Net Revenue will be retained by ITF and 80 per cent of Net Revenue will be shared by National Associations which participate in ITF exploitation of such Media Rights according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

3. COMMERCIAL RIGHTS

Each National Association shall retain and have the exclusive right to exploit the Commercial Rights in respect of its Own Tournaments and retain all revenues thereby generated.

ITF shall have the exclusive right to exploit the Tour Sponsor Rights in respect of any Cross-Border Group of Tournaments or the overall ITF World Tennis Tour. Such exploitation is subject to agreement by each of the relevant National Associations whose respective Own Tournaments will be subject to any Tour Sponsor Rights. Upon expiry or termination of any agreement entered into by ITF for the exploitation of such rights, ITF may not renew or replace such agreement without the further agreement of each relevant National Association. ITF shall be free to propose such collective arrangements to each National Association and each National Association may accept or reject such proposals at their discretion.

In the case of Tour Sponsor Rights exploited by the ITF, 20 per cent of Net Revenue will be retained by ITF and 80 per cent of Net Revenue will be shared by National Associations which participate in activating such Tour Sponsor Rights according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

For the avoidance of doubt no sponsorship will be permitted either as part of the Commercial Rights or as Tour Sponsor Rights to any entity in respect of tobacco or e-cigarette products, hard liquor products, betting companies, political activity or other category deemed to be detrimental to the sport of tennis, as reasonably determined by ITF in consultation with the applicable National Associations. It is permitted to appoint casinos or national, regional or state sports lotteries as part of the above rights (with the prior approval of the ITF) provided they do not offer tennis betting as part of their business activity.

4. DATA RIGHTS

The National Associations and ITF recognised the potential value of collaborating closely in the development and exploitation of Live Scoring Rights. Accordingly, the National Associations and ITF have agreed that during the period, covering the Initial Period and the extended Period, expiring at the end of the Extended Period unless extended on the same or a modified basis thereafter by further agreement (following good faith discussions) by each National Association and ITF:

- i. Subject to clause (iii) below, the ITF shall have the exclusive right to exploit and/or to authorise third parties to exploit the Live Scoring Rights during the Initial Period and/or Extended Period with respect to all Tournaments and will keep the National Associations informed about such exploitation.
- ii. The ITF will have the non-exclusive right to exploit the Non-Live Data Rights during the Initial Period and/or Extended Period and will keep the National Associations informed about such exploitation.
- iii. The National Associations will retain all rights not expressly granted to the ITF during the Initial Period and/or Extended Period that relate to their Own Tournaments including, without limitation, with respect to the Live Scoring Rights and the Non-Live Data Rights. Notwithstanding the grant to ITF in clause (i), the National Associations shall retain the right to exhibit:
 - a. Live Scoring Rights on on-court scoreboards and other areas located within the respective venues; and
 - b. Live Scoring Rights on exhibitions made by means of the Television Rights of their own Tournaments to which such Live Scoring Rights relate.

Following expiry of the Extended Period if the arrangement is not agreed to be extended and/or renewed all Live Scoring Rights and Non-Live Data Rights which derive from the ownership and/or control of each of the Tournaments shall remain vested in the respective National Association.

Any and all revenue generated from the exploitation of the Live Scoring Rights and Non-Live Data Rights by ITF during the Initial Period and/or Extended Period after recoupment by ITF from such revenues of all reasonable direct and incremental costs it incurs in relation to such exploitation (such

costs to be periodically reviewed with the ITF World Tennis Tour Media, Commercial & Data Rights Working Group) shall be divided:

- a. 20 per cent to ITF; and
- b. 80 per cent to be shared by National Associations according to a formula determined by ITF in consultation with the Media and Commercial Rights Working Group.

The National Associations and Tournaments shall co-operate with the ITF during the Initial Period and/or Extended Period in relation to:

- any system or scheme that the ITF implements for the collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of Live Scoring Rights and Non-Live Data Rights at Tournaments;
- any reasonable measures that the ITF takes to protect the value of the Live Scoring Rights including without limitation to prevent the unauthorised collection and exploitation of the Live Scoring Rights relating to Tournaments during the Delay Period. Such measures may include the implementation and enforcement of ticket conditions, accreditation terms and access to venue agreements and shall be developed in consultation with the ITF World Tennis Tour Media, Commercial & Data Rights Working Group.

ITF shall make available to the National Associations free of charge any Official Data collected by ITF for use by the National Associations consistent with this rule.

ITF and the National Associations shall at all times co-operate with and comply with the requirements of the Tennis Integrity Unit.

APPENDIX G

PLAYER ANALYSIS TECHNOLOGY (“PAT”) DATA RIGHTS

1. Definition

“PAT Data” shall mean player performance analysis data and/or other data or information (and any analysis derived from that data or information) that is collected (a) during a match in a tournament, and (b) by means of any system of Player analysis technology that is approved by ITF for use in that Tournament whether or not it is collected by or in co-operation with the ITF, a Nation or the Player.

2. PAT Data exploitation

ITF has, subject to the Rules of Tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT Data from games and matches played in a Tournament subject to the following conditions:

- i. During a match, coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT Data shall only use such PAT Data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to Rule 31 of the Rules of Tennis.
- ii. Each coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT Data at any time shall:
 - a. Not publish, use or otherwise exploit any PAT Data or supply any PAT Data or analysis derived therefrom to third parties for any purposes other than as described in (i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may reasonably require to prevent any unauthorised access to and/or use of such PAT Data. In particular, but without limitation, no PAT Data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;
 - b. Ensure that ITF shall be able to access free of charge any and all such PAT Data live and/or delayed at the venue of the match and/or such other point as may be agreed, and ITF shall be free to use such PAT Data and authorise third parties to use such PAT Data for any purposes.
- iii. In the event that such PAT Data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT Data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and coaches and players will immediately cease use of the PAT system pending resolution.

All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY

This 2024 ITF World Tennis Tour Code of Conduct shall be the exclusive basis for disciplinary action against any player, Related Person, Covered Persons (for the purposes of Article V-1 and the Article XIII) or tournament in ITF sanctioned ITF World Tennis Tour Tournaments, except to the extent that disciplinary jurisdiction is established in relation to such Tournaments under (i) the Tennis Anti-Doping Programme; (ii) the Anti-Corruption Program; and/or (iii) the ITF Welfare Policy.

C. FINES

All monetary fines set forth in the Code are in US Dollars.

A player who has accumulated \$500 or more in unpaid fines for violations of the Code of Conduct shall not be allowed to enter and play in any ITF tournament until such time as all fines have been paid.

A player who has outstanding fines at the end of the calendar year shall not be allowed to enter any Men's or Women's ITF World Tennis Tour Tournaments in the following calendar year until such time as all fines have been paid.

Players who are fined for major offences must pay all fines prior to their next event.

D. ITF SUPERVISOR

The approved ITF Supervisor for each Men's or Women's ITF World Tennis Tour Tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: MEN'S ENTRY OFFENCES

A. APPLICABILITY

This Article shall only apply to Men's ITF World Tennis Tour Tournaments.

B. ENTRY OFFENCES

1. Late Withdrawal

Any withdrawal from a player accepted into the Main Draw or Qualifying of Singles or Advance Entry for Doubles that occurs after the Withdrawal Deadline shall be considered a Late Withdrawal and will be penalised, except in the below circumstances:

- a) a player who is on the Qualifying Acceptance List but who is still playing in another Men's ITF World Tennis Tour Tournament, ITF World Tennis Tour Junior tournament or ATP tournament at the time of the Qualifying Sign-In Deadline, provided the player withdraws before the Qualifying Sign-In closes;
- b) a player who is on the Qualifying Acceptance List but who is still playing in another "qualified" Men's ITF World Tennis Tour or ATP tournament and who applies for a Special Exempt position, but where such Special Exempt position is not available for the player;
- c) a player who qualifies for entry or receives a Wild Card into the Qualifying or Main Draw of a Grand Slam tournament, provided the player withdraws from the ITF Tournament before the Qualifying Sign-In Deadline;
- d) a player who is nominated to represent his country in an ITF Team Competition, provided the player withdraws before the Qualifying Sign-In Deadline;
- e) a player who is on the Main Draw or Qualifying Acceptance List of an ITF World Tennis Tour Tournament but is accepted into an ATP Tour or Challenger main draw or qualifying by 10:00 (EST) on the Friday prior to the following weeks start date will not be penalised, provided the player was withdrawn at the "ATP Freeze Deadline".

- f) The provisions of **Article II, Rule B.4, Playing Another Event / One Tournament per Week** apply.

Players who meet one of the exceptions for Late Withdrawal offences written above should email Mens@itftennis.com and provide them the appropriate documentation so the Late Withdrawal penalty can be removed from the player's Code of Conduct record.

Players who have been subject to Automatic Withdrawals will not be fined.

A player's first three (3) Late Withdrawal Singles offences and first three (3) Late Withdrawal Doubles offences within a calendar year are automatically excused and the fines cancelled with a "withdrawal amnesty", provided the withdrawal is submitted online through the player's IPIN account:

- (i) For Singles, prior to the Qualifying Sign-In Deadline ("Singles Amnesty"); and
- (ii) For Doubles, prior to the Doubles On-site Sign-in Deadline ("Doubles Amnesty").

The excused Withdrawal is valid for two consecutive Tournament weeks provided the player withdraws in accordance with the process set out above.

If a player withdraws from both Singles and Doubles at the same Tournament, the player may use a Singles Amnesty to withdraw himself from both the Singles and Doubles event of that Tournament. A Doubles Amnesty may only be used for Doubles withdrawals and not Singles withdrawals.

Violation of this Section shall subject a player to a fine up to \$500 as further set out in the Fines Guidelines.

2. No Show

A player will have Committed a No Show Offence if:

- a) He is accepted into the Qualifying and fails to arrive on-site for his first match in the Tournament without validly withdrawing from the Tournament in advance of the Qualifying Sign-In Deadline (as set out in Article II.B.1 above); or
- b) He is accepted into the Main Draw or has been granted a Wild Card (Main Draw or Qualifying) and fails to arrive on-site for his first match in the Tournament without withdrawing from the Tournament in advance of his first-round match (as set out in Article II.B.1 above).
- c) A player or Doubles team accepted into the Doubles Draw (Advance Entry or On-Site Entry) fails to arrive On-Site for the team's first match in the Tournament without withdrawing from the Tournament in advance of his/their first-round match (as set out in Article II.B.1 above).

The ITF Supervisor may waive the No Show Offence for a player/team who arrives on-site after the scheduled commencement time for his/their first match, and penalise him/them for the On-Site Offence of Punctuality instead.

A player that commits a No-Show violation may not use an on-site medical certificate to appeal a penalty.

Violation of this Section shall subject a player to a fine up to \$500 as further set out in the Fines Guidelines.

In circumstances that are flagrant and particularly injurious to the success of the Men's ITF World Tennis Tour Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

3. On-Site Medical Withdrawal

- a. If a player is forced to retire or withdraw during a Tournament for medical reasons, the ITF Medical Certification form must be completed by the on-site Tournament Doctor / Sports Physiotherapist verifying that the player is unfit to continue playing in the current Tournament. Violation of this section shall subject a player to a fine of up to \$500.
- b. A player that has endured a medical condition during the Tournament Week, but who completes their Tournament matches, may obtain a Medical Certificate from the Tournament Doctor/Sports Physiotherapist that can be used to withdraw from the following week's tournament without penalty. The player must obtain the Medical Certificate within 24 hours of completing their final match.

If the player wishes to use the Medical Certificate to withdraw from the following week's tournament, then the player must inform the ITF and the ITF Supervisor (if after the Freeze deadline) no more than 48 hours after obtaining the Medical Certificate or before the Qualifying Sign-In, whichever is sooner.

Players who complete their final match of the tournament after the Qualifying Sign-In of the following week's Tournament must obtain a Medical Certificate and inform the ITF Supervisor before leaving the site if they wish to withdraw from the following week's Tournament.

Violation of this section shall subject a player to a fine of up to \$500 as further set out in the Fines Guidelines.

- c. A valid ITF Medical Certificate will excuse a Late Withdrawal penalty for any subsequent Tournament until the player next competes in any tennis event, provided that a withdrawal for each tournament is submitted online through the player's IPIN account prior to the relevant Qualifying Sign-In Deadline for Singles or On-Site Doubles Sign-In Deadline for Doubles. A player must email the ITF Medical Certificate to the ITF (mens@itftennis.com) for each subsequent tournament that the player wishes to use the medical certificate.
- d. A player who withdraws from a tournament after the Qualifying Sign-In Deadline will be excused a Late Withdrawal penalty provided:
 - i. the player is still competing in the previous week's tournament at or after the time of the Qualifying Sign-In Deadline, is thereafter forced to withdraw/retire, is examined by that tournament's doctor and is determined to be unfit to compete at the following week's tournament; or
 - ii. the player is on-site at the tournament from which the player will withdraw when the withdrawal occurs and is determined to be unfit to compete by the tournament's doctor.

For the purpose of this rule, the player must withdraw before the start of his first match and the ITF Medical Certification form must be completed and submitted to the ITF no later than the last day of the tournament.

- xi. A player is forced to withdraw from a Qualifying event because he is still Committed to and still participating in a Tournament in the previous week's tournament but is not eligible to apply for, or has been unsuccessful in applying for, a Special Exempt place.

A player not Committed by Advance Entry to a Doubles Main Draw may enter the Doubles event of any other tournament. However, late withdrawals from Singles Main Draw and Qualifying shall be subject to the late withdrawal provisions at Article II.B.1 above.

Violation of this Section shall subject a player to a fine up to \$250 as further set out in the Fines Guidelines in addition to any other fines provided in the Code.

The ITF Supervisor shall not revoke a Covered Person's entry and/or access to an ITF World Tennis Tour tournament without first consulting the ITF Executive Director save where the immediate revocation of entry and/or access to a tournament is, in the reasonable opinion of the ITF Supervisor, necessary to preserve the health and safety of other Covered Person.

C. PAYMENT OF FINES

Each ITF World Tennis Tour Tournament shall deduct fines levied by the ITF Supervisor for violations of this Article V-1 from a player's winnings, if any, and promptly pay the same to the ITF. Any unpaid fines by any Player shall also be collected at other ITF tournaments for remission to the ITF.

D. APPEAL

Any Covered Person found to have committed an offence under Article V-1.A may, after paying all fines as provided above, appeal the determination of a violation and/or the punishment imposed under section A. above (but not any Immediate Default issued to a player) to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing, using the form prescribed by the ITF and must be filed with the ITF by 17:00 (5.00pm) GMT within fourteen (14) days from the date the Covered Person is notified of the violation. The Notice of Appeal must include a statement by the Covered Person as to the facts and circumstances of the incident along with any other evidence the Covered Person wishes to submit.

ARTICLE VI: MAJOR OFFENCES

A. AGGRAVATED BEHAVIOUR

No player or Related Person at any ITF World Tennis Tour Tournament shall engage in "Aggravated Behaviour" which is defined as follows:

1. One or more incidents of behaviour designated in this Code as constituting "Aggravated Behaviour";
2. One incident of behaviour that is flagrant and particularly injurious to the success of an ITF World Tennis Tour Tournament, or is singularly egregious;
3. A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute "Aggravated Behaviour", but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF World Tennis Tour Tournaments.

In addition, any player or Related Person who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other Covered Person or third party in exchange for access and/or accreditation to the tournament site shall be deemed to have engaged in Aggravated Behaviour and be in violation of this Section.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine of up to \$5,000 or the amount of prize money won at the tournament, whichever is greater, and a maximum penalty of permanent suspension from play in any ITF Tournament, event or ITF World Tennis Tour.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any the ITF World Tennis Tour, ITF Tournament, event, or circuit.

B. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of the violation of a criminal or civil law of any country, the player may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such player from further participation in ITF World Tennis Tour Tournaments pending a final determination in Section C. In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, the player may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this Section. Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine up to \$5,000 and/or to a maximum penalty of permanent suspension from play in any ITF World Tennis Tour Tournament, ITF Tournament, event or circuit.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any ITF World Tennis Tour Tournament, ITF Tournament, event, or circuit.

C. DETERMINATION AND PENALTY

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VI.C, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;

- (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing.
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:

- (a) at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and
- (b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any ITF World Tennis Tour Tournament, ITF Tournament, event, or circuit owned or sanctioned by the ITF.

Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

D. PAYMENT OF FINES

All fines levied by the Independent Tribunal for Major Offences shall be paid by the player to the ITF within thirty (30) days after receipt of written notice thereof. If the fine is not paid in thirty (30) days, the ITF Executive Director will instruct:

- a) the next ITF World Tennis Tour Tournament to require the player to pay the entire fine prior to playing; or
- b) withhold prize money due to the player until settlement is made; and
- c) the Player's fine will be added to the Player's unpaid fines and Article I, C. shall apply.

E. COMMENCEMENT OF PENALTY

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

- a) the date of notification by the ITF or Independent Tribunal;
- b) if the Player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

The revocation of accreditation or denial of access to ITF World Tennis Tour Tournaments imposed on a Related Person shall take effect immediately upon notification.

Any breach by a player or Related Person of the terms of their penalty under this section VI shall be referred to the ITF Internal Adjudication Panel and dealt with pursuant to clause 5 of the *Procedural Rules governing an Internal Adjudication Panel convened under ITF Rules*.

F. APPEAL

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

ARTICLE VII: MEDICAL CONTROL – ANTI-DOPING POLICY

Any Player, Player Support Personnel or other Person who enters or participates in the ITF World Tennis Tour shall be bound by and shall comply with all of the provisions of the ITIA Tennis Anti-Doping Programme.

The ITIA Tennis Anti-Doping Programme is set out in full on the ITF website (<https://www.itia.tennis/anti-doping>).

ARTICLE VIII: TOURNAMENT OFFENCES

A. APPLICABILITY

This Article shall apply to each ITF World Tennis Tour Tournament and any Applicant for such an event. References in this Article to a “Tournament” shall hereafter mean an ITF Tournament or applicant for such a tournament, and where applicable refers to the legal entity (personal or corporate) that is applying for, administering, operating or otherwise organising the ITF Tournament.

B. GUARANTEES

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall such a tournament permit any other person or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player’s appearance at a Tournament other than prize money and permitted amateur expenses, unless authorised to do so by the Committee. Violation of this Section shall subject the Tournament to a fine up to \$5,000 plus the amount or value of any such payment, disqualification, and loss of sanction, and/ or forfeiture of all sums, if any, previously paid to the ITF. In the event the ITF Executive Director believes that a Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

C. WILD CARDS

No Tournament, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section shall subject the Tournament to a fine of up to \$5,000, and/or forfeiture of all sums, if any, previously paid to the ITF, and/or withdrawal of its sanction.

D. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No Tournament, or any owner, promoter, or operator thereof, shall engage in conduct contrary to the integrity of the Sport.

Violation of this Section shall subject the Tournament to a fine up to \$5,000 and/or forfeiture of all sums, if any, previously paid to the ITF.

E. ITF WORLD TENNIS TOUR RULES

No Tournament shall violate any provisions of these ITF World Tennis Tour Rules. Violation of this Section shall subject the Tournament to withdrawal of sanction, a fine up to \$5,000 and/or forfeiture of all sums, if any, previously paid to the ITF.

F. LATE CANCELLATION

No Tournament shall cancel less than sixty (60) days prior to the scheduled commencement of the event.

Violation of this section shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, reimbursement of unrecoverable expenses incurred and/or denial of subsequent Applications.

G. COVID-19 PROTOCOLS

In response to the Covid-19 pandemic, the ITF introduced an obligation for Tournaments to comply with the ITF Return to International Tennis Protocols including without limitation the Minimum Standards of Behaviour (the "Protocols").

The ITF reserves the right at any time to reintroduce the obligation for Tournaments to comply with the Protocols. The ITF's decision to reintroduce the obligation for Tournaments to comply with the Protocols shall be made entirely at the ITF's discretion and shall be made without any obligation to notify Tournaments, National Associations, Regional Associations or other governing bodies.

In the event the ITF decides to reintroduce the obligation, a Tournament shall comply with the Protocols. . Any failure to comply with the Protocols shall amount to a violation of this Article VIII.G. Violation of this Article VIII.G shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, an order for reimbursement of unrecoverable expenses incurred by Covered Person, withdrawal of its sanction and/or denial of subsequent applications to host.

H. DETERMINATION AND PENALTY

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by a Tournament and shall provide written notice of such investigation to the Tournament involved. The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VIII.H, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall send a written notice to the Tournament (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and

- (c) the Tournament's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Tournament Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Tournament Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Tournament Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences and shall send a copy of the decision to the tournament.

Hearing

If the tournament charged exercises its right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

I. PAYMENT OF FINES

All fines levied by the Independent Tribunal for Tournament Offences shall be paid by the Tournament to the ITF within thirty (30) days after receipt of written notice thereof.

J. APPEALS

Any Tournament found to have committed a Tournament Offence may, after paying all fines as above provided, appeal the decision of the Independent Tribunal to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

ARTICLE IX: RECIPROCITY & INFORMATION SHARING

Defined terms used in this Article are:

- (a) Tennis Organisation means any organisation involved in the governance, regulation, sanctioning, organization, or administration of tennis, including but not limited to the Women’s Tennis Association, Association of Tennis Professionals, the Grand Slam Board, and each member national association;
- (b) Disciplinary Sanction means a suspension, ineligibility or other sanction issued against a Covered Person (as defined in Article XIII - ITF Welfare Policy) pursuant to a conduct or disciplinary process, under a code of conduct or disciplinary policy (including where some or all of the sanction is suspended, but strictly excluding monetary fines);
- (c) Reciprocate means the affirmation, modification or extension of a Disciplinary Sanction;

The ITF reserves the right to ask the ITF Internal Adjudication Panel to Reciprocate with respect to any or all Tournaments and/or Competitions referred to under these Regulations, a Disciplinary Sanction issued by or on behalf of the ITF, any other Tennis Organisation or other relevant authority.

When considering whether to Reciprocate a Disciplinary Sanction, the ITF Internal Adjudication Panel will have regard to the following matters :

- i. Whether the Disciplinary Sanction was so unreasonable as to be manifestly excessive or unduly lenient;
- ii. Whether the disciplinary proceedings that resulted in the Disciplinary Sanction were procedurally unfair or contrary to natural justice, having regard to all the circumstances.

A decision by the ITF Internal Adjudication Panel to Reciprocate a Disciplinary Sanction may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal’s decision).

The ITF shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any Tennis Organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities they consider appropriate in their absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigation being conducted by any Tennis Organisation and/or any relevant authority.

Without prejudice to the ability of the ITF to exercise the powers set out above, the ITF requires a National Association and requests other Tennis Organisations to inform the ITF in the event that it imposes a Disciplinary Sanction of 6 months or longer (or of equivalent or greater seriousness).

ARTICLE X: INTERPRETATIONS
