Recently set up an IPIN? Wanting to keep all your ranking points? We need your help!

Dear Players,

As part of the transition to IPIN, we will need to match your ranking profile with your new IPIN account. If we do not receive the below requested information your ranking may not be taken into consideration and may not be included on entry lists. Once the Entry Deadline processing has taken place, the list cannot be changed.

Therefore, we ask that you provide the following information as soon as possible to [beach@itftennis.com](mailto:beach@itftennis.com):

Full name –  
Date of birth –  
Nationality –

The last 4 ITF Beach Tennis tournaments that you competed in (if applicable) including dates:

- 1)
- 2)
- 3)
- 4)

Thank you for your patience as we continue to transition from analogue to IPIN.

Kind Regards,
