

2025 ITF BEACH TENNIS JUNIOR TOUR REGULATIONS

Summary of Key Rules Changes (as at 10 April 2025)

The following pages provide a summary of the key changes to the 2025 ITF Beach Tennis Junior Tour Regulations. These are not the regulations. The full Tour Regulations can be seen in the 'Beach Tennis' section at www.itftennis.com.

Changes made from the previous year (2024) are shown in underlined text.

C. THE COMPETITION

4. Players Eligible

Only players who are under the jurisdiction of a national tennis association affiliated to the ITF may compete in any of the tournaments that comprise the Junior Tour. Tournaments are open to male and female doubles teams – boy's events are open only to male players; girl's events are open only to female players.

The ITF may request from the player at any time a copy of their current, valid passport as proof of nationality.

Players wishing to make a request to change their nationality on the ITF website should send a copy of their current passport for the nation to which they wish to change their nationality to the ITF.

In the event that a request is made where:

- the player was born in the nation to which they wish to change their nationality;
- that nation does not issue its own separate passports, and its citizens are issued a passport from another nation; and
- the player holds a valid passport from that other nation which confirms the player's place of birth as in the nation to which they wish to change their nationality;

the player should send a copy of the passport recording their place of birth to the ITF and make a request to the ITF to change their nationality on the ITF's website to the nation where they were born. If the player complies with the requirements in this paragraph, the ITF will process the change of nationality and update the ITF's website.

In the event that a player does not hold a current passport for the nation to which they wish to change their nationality, the player must provide:

- A copy of their current passport (if one is held);
- A written explanation setting out:
 - why they are seeking to change their nationality;
 - why they do not hold a current passport for the nation to which they wish to change their nationality;
 - any dates they held nationality in the nation to which they seek to change their nationality, providing copies of expired passports and/or ID cards where available;
 - the nature of their ties and affiliation(s) with the nation to which they seek to change their nationality including, but not limited to:
 - familial connections;
 - period(s) of time spent visiting and/or residing in that nation;
 - their commitment to life and tennis in that nation; and

details of any second or previous nationalities, including in relation to their tennis participation at an international level.

7. Enforcement of Regulations and Resolution of Disputes

d. Appeals

Save where provided otherwise under these Regulations:

- i. decisions made by the ITF Supervisor under these Regulations may only be challenged by way of appeal to the ITF Internal Adjudication Panel, to be determined in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision);
- ii. subject to the preceding paragraph (i) above, decisions of the ITF Internal Adjudication Panel under these Regulations may only be challenged by way of appeal to the Independent Tribunal, in accordance with the Independent Tribunal's Procedural Rules (in particular, the section applicable to the Independent Tribunal sitting as an appeal panel);
- iii. decisions of the Independent Tribunal (sitting as a first instance tribunal) may only be challenged by way of appeal to the Court of Arbitration for Sport, as set out in the Independent Tribunal Procedural Rules.

Such appeals may only be brought by one of the following persons:

- i. the person or Nation or entity that is the subject of the decision sought to be appealed;
- ii. any Nation that is directly affected by the decision sought to be appealed; and/or
- iii. the ITF.

A Nation will not be 'directly affected' pursuant to Regulation (ii) above based solely on it or its players being a competitor of the person or Nation or entity that is the subject of a decision sought to be appealed.

No additional lines or markers shall be placed within the court area.

In addition to removal, the Captain may be subject to the applicable provisions and penalties under the Code of Conduct.

h. Team Identification

All players in a team must wear predominantly the same colour during all matches.

In any ITF Team Cup or Regional Team Competition, members of a doubles team shall be dressed in National colours, OR substantially the same colours with the competitors names on the back.

At all other official ITF Tournaments, doubles pairs should make the best effort to be dressed in substantially the same colours.

APPENDIX A - THE PLAYERS

ELIGIBILITY OF A PLAYER OR CAPTAIN TO REPRESENT A NATION

[...]

3 If:

- (a) a player/Captain is, or may be, qualified under Regulation 1 to represent more than one nation, and the National Association of one of those nations wishes to nominate him/her to represent that nation; or
- (b) a nation applies to nominate a player or Captain under Regulation 2 and that player/Captain is, or may be, eligible to represent another nation(s);

the National Association wishing to nominate the player/Captain must submit the nomination/application to the ITF at least two months prior to the event for which they wish to nominate the player or Captain. The ITF will notify the other nation(s) concerned, which shall be entitled to comment within 15 days of receipt, should it wish to do so.

- 4 If a player/Captain is nominated without an application being made under Regulation 2, the ITF Executive will decide on the eligibility of the player/Captain having taken into account all relevant matters. The decision of the ITF Executive may be appealed to the ITF Internal Adjudication Panel, which will consider the matter as an appeal in accordance with its Procedural Rules. The appeal must (i) be made in writing, (ii) detail the basis of the appeal, and (iii) be filed with the ITF Internal Adjudication Panel within 14 days of notification of the decision of the ITF Executive. There is no right to appeal or challenge the ITF Internal Adjudication Panel's decision.
- 5 If an application to nominate a player/Captain is made under Regulation 2, the ITF Internal Adjudication Panel will decide on the application having taken into account all relevant matters.
- 6 In exceptional circumstances, the other nation(s) concerned may not be notified before the player/Captain's eligibility is considered by the ITF Executive or the ITF Internal Adjudication Panel. In such circumstances, the ITF Executive or ITF Internal Adjudication Panel shall reach a provisional view under Regulation 4 or 5 respectively, subject to any subsequent comments received from the other nation(s). If the provisional view is to approve the eligibility of the player/Captain to represent the nominating/applying nation, and the nation wishes to proceed with the nomination and/or application, the other nation(s) concerned will then be notified of the nomination/application that has been received by the ITF and will have 15 days from receipt to comment should it wish to do so. The ITF Executive or ITF Internal Adjudication Panel will then reach its decision having considered any comments from the other nation(s) concerned, in accordance with Regulation 4 or 5 above.
